Torres AES is a global security company seeking career-minded professionals for an OCONUS contract in Europe. Whether you are just looking for a job in an exciting location with a rapidly growing company or simply want your foot in the door for a new career. This opportunity offers unique networking opportunities, free-living conditions and days off to travel Europe.

Summary:

Contract for armed security guard (CSG) services to provide security, installation access control, conduct roving patrols, provide surveillance, monitoring and the overall safeguarding of an installation and its tenants. This is a United States Army installation, which includes a state of the art gym and workout facility as well as a PX, Burger King and MWR.

Security Checks:

All candidates will undergo an FBI background check / National Crime Information Center (NCIC) check. In addition, guards will undergo a national agency check with local records and credit check (NACLCL). The NACLCL will be processed through the Personnel Security Investigation Center of Excellence in coordination with the supporting security officer.

Armed Guard Requirements:

We are seeking trained, certified armed guards to operate the required coverage area.

- * Candidates must be a U.S. Citizen
- * Have two (2) years' experience in security, law enforcement, or operations within the Armed Forces, civilian police or commercial security within the past five (5) years
- * Must have completed a State recognized civilian security or law enforcement academy, or the completion of an armed forces security or law enforcement training program. (Verification of training, such as a training certificate/s or DD214 (honorable discharge) must be provided)
- * Have a current/active U.S. Passport
- * Be willing to obtain an NCIC / FBI criminal background report to include fingerprints Must have a clean criminal history with no convictions or major traffic offense
- * In addition, guards will undergo a national agency check with local records and credit check (NACLCL). The NACLCL will be processed through the Personnel Security Investigation Center of Excellence in coordination with the supporting security officer
- * Must have experience and knowledge of security operations

- * Must have experience with basic force protection
- * Must have excellent written and oral communication skills
- * Must be medically fit and undergo medical testing
- * Must pass a Physical Ability Test (to include - run 1.5 miles in 17:30 minutes, 21 Executive pushups in two minutes and execute 20 proper sit-ups in two minutes)
- * Must be willing to undergo random drug testing upon request
- * Must be willing to work at least 48 hours per week. Note: We are currently working a 48 hour week - 6 days per week / 8 hours per day
- * First Year Completion Bonus
- * Sign on Bonus - \$250.00 after 30 days in Kosovo
- * PTO - 144 hours
- * Approximately \$33K to \$34K

Physical Requirements/Working Environment:

- 1) The candidate must maintain the necessary physical fitness to ensure accomplishment of assigned missions. This includes guard duties under local types of weather and terrain.
- 2) Must meet all physical and medical requirements as dictated by the contract.

Contact Information:

All interested candidates should send the following information to the recruiter listed below;

- * Availability date
- * Resume in Word format
- * Color scan of Passport
- * DD214 / Security Certifications
