OPTIMUM CAREERPATH®

START YOUR CAREER IN HEALTHCARE IT TODAY

Getting your first job can be difficult when employers want experience, but in order to gain that experience, you need your first job. This disparity is where we help.

The Optimum CareerPath program bridges the gap between your education and professional career by providing you with the necessary experience and training to start a career in healthcare technology.

WHAT IS OPTIMUM CAREERPATH?

Optimum CareerPath is a unique approach compared to many colleges, universities, boot camps, or learning platforms. Traditionally, you pay to learn skills with no guarantee of a job at the end. Accepted applicants will be hired by Optimum and paid from the start of an immersive training program. After completing training, CareerPath graduates relocate and are placed at one of Optimum's US clients.

WHAT'S INCLUDED?

- Full-time employment with competitive salary and benefits.
- Mentorship and training from experienced healthcare IT professionals.
- Important soft and technical skills needed to succeed.
- Technical certifications throughout training.
- Small group training to both learn together and form a peer support network.
- Relevant and rewarding career after training program.
- Relocation assistance provided after training.

BENEFITS OF OPTIMUM CAREERPATH

LEARN IN-DEMAND HEALTHCARE TECHNOLOGIES

Learn the most current EHR technologies from certified trainers at Optimum Healthcare IT.

INTERACT & NETWORK WITH HEALTHCARE EXECUTIVES

Establish relationships while learning the latest policies, regulations, and trends in the industry.

SALARIED COMPENSATION AND BENEFITS

Take pride in a salaried position offered with the comfort of benefits.

CAREER LAUNCHING HEALTHCARE TECHNOLOGY ROLE PLACEMENTS

Set yourself up for a career in healthcare technology.

GAIN PRACTICAL HEALTHCARE INDUSTRY KNOWLEDGE

Develop knowledge and skills for a deeper understanding of the healthcare IT industry.

Help build the healthcare of the future

Federal Learning Specialist

Job Description:

As a Federal Learning Specialist on the Federal Learning Delivery team, you will deliver educational materials in person and virtually, provide one-on-one support to participants and address or provide prompt follow up to questions. You'll work to identify and surface process, workflow and technical questions to appropriate project team members or content owners, collect feedback from participants and share with project leadership or content owners to improve content and delivery methods. You will also be responsible for the delivery of a variety of federal client conversion and adoption projects and provide pre and post go-live training and coaching post go-live.

Federal Learning Specialists possess excellent communication skills, decision making skills, flexibility and comfort with ambiguity, the ability to work comfortably with technology, an understanding of the adoption process, and a willingness to learn and adapt in a fast-paced, client-facing environment.

Working Environment:

Hybrid & Onsite: No Relocation Assistance Offered

This position offers a Hybrid & Onsite working environment. Meaning you will split working time between a Cerner office or client site and remote. If your current geographical location requires relocating, Cerner will not offer relocation assistance to the specified location.

Basic Qualifications:

- At least 4 years total combined related work experience and completed higher education
- Receipt of the appropriate government security clearance card applicable for your position
- Due to the client contract, this position requires you to be a U.S. citizen

Preferred Qualifications:

- Bachelor's degree
- At least 1 year experience with Millennium and/or HCIT

Expectations:

- Willing to travel 100% as needed
- Must live within 60 miles of a major international airport
- Successful completion of the Consulting Academy training program and Federal Train the Trainer (TtT) program
- Willing to work additional or irregular hours as needed and allowed by local regulations
- Work in accordance with corporate and organizational security policies and procedures, understand personal role in safeguarding corporate and client assets, and take appropriate action to prevent and report any compromises of security within scope of position
- Perform other responsibilities as assigned

Applicants for U.S.-based positions with Cerner must be legally authorized to work in the United States. Verification of employment eligibility will be required at the time of hire.

Due to specific client contract requirements, this position requires that the successful candidate be a U.S. citizen. The client contract also requires receipt of the appropriate government security clearance card applicable for the position.

Some Cerner positions may be obligated to comply with client-facing requirements and occupational health requests, including but not limited to, an immunization set, covid-19 vaccination, an annual flu shot, an annual TB screen, an updated background check, and/or an updated drug screen.

Cerner is a place where people are encouraged to innovate with confidence and focus on what is important – people's health and the care they receive. We are transforming health care by developing tools and technologies that make it more efficient for care providers and patients to navigate the complexity of our health. From single offices to entire countries, Cerner solutions are licensed at more than 25,000 facilities in over 35 countries.

Cerner's policy is to provide equal opportunity to all people without regard to race, color, religion, national origin, ancestry, marital status, veteran status, age, disability, pregnancy, genetic information, citizenship status, sex, sexual orientation, gender identity or any other legally protected category. Cerner is proud to be a drug-free workplace.
