Akima Facilities Operations (AFO)

Fort Carson, CO 80913

719-524-0452 (O)

IMMEDIATE OPENING!

Akima Facilities Operations (AFO), is a rapidly growing government services provider that has a full-time opening at Fort Carson CO, for a Project Manager in the Project Management Office that manages Transportation, Maintenance and Supply Departments.

Position: Project Manager (Job # AK002031)

Position Classification: Exempt

Contract Number: W52P1J-14-G-0035

Announcement Date: 6 Feb, 2020

Close date: Until filled

Pay Rate: \$120,000 - \$130, 000

POSITION SUMMARY:

This position is responsible to the company President/General Manager for the direction, coordination, profitability and overall management of the assigned contract to include the coordination with any subcontractor companies and personnel and the management and career and skill development of company employees working on the contract.

MAJOR JOB ACTIVITIES:

- Act on behalf of the company for all matters relating to the contract.
- Be on duty and available during the hours specified in the contract or as otherwise determined by the President as appropriate for the assigned contract.
- Act as central point of contact with the Government regarding the assigned contract.
- Act as the central point of contact with any subcontractors regarding the assigned contract.
- Attend briefings, conferences and other Government-designated meetings.
- Manage a diverse workforce in a customer-service, deadline-oriented environment.
- Manage personnel, equipment, vehicles and facilities in support of the assigned contract, Government customer organization and associated installation.

- Obtain and maintain understanding and working knowledge of the contract and all attachments and references to ensure all contract requirements are met and achieved on time or as scheduled, to include required funding notifications.
- Manage contract operations within budget to maximize the balance among contract performance, contract expenses and company costs, and profit margin.
- Provide regular status reports and contract feedback to the President and operational management to identify concerns in time to address before labor disputes or contract performance issues arise.
- Coordinate with company management and other holding company resources to effectively and efficiently obtain company support, to include personnel hires, employee benefit and record processing, travel and other expense vouchers, performance reviews, vendor set-up, invoice processing, time collection, addressing employee issues/concerns, etc.
- Coordinate with subcontractor management points of contact as appropriate to maintain positive and effective working relationships and ensure contract requirements are met and achieved on time or as scheduled.
- Work with holding company subcontract administration and pricing personnel to request subcontract pricing information (such as requests for equitable adjustment), execute option periods, and adjust subcontract value and scope based on changes to the prime contract.
- Develop, implement and maintain a comprehensive worker safety and health and environmental management program that prevents and reduces injuries, illnesses and losses and complies with holding company safety and environmental programs and guidelines.
- Maintain an organized filing system for contract, operational and personnel records for reference and personnel transitions as appropriate, and ensure contract records are submitted to the holding company Contracts department for inclusion in official company files and employee records are submitted to HRIS for inclusion in official personnel files.
- Coordinate the use of any applicable company resources, to include office space, cell phones, and office supplies to ensure adequate support.
- Support business development activities as requested by providing past performance information related to the assigned contract and subject matter expertise gained from this and any prior position as appropriate.
- Continually look for potential business development opportunities for the Akima family of companies and report potential opportunities to company management or business development resources.
- Complete action items from the Government customer, the company President and company support teams as assigned.

- Be an example to employees, customers and team mates of the NANA values and hold employees accountable to perform contract duties and company functions in accordance with those values.
- Other duties as assigned by the company President/General Manager.

FREEDOM TO ACT:

Reports to the company Director of Sunik and functions independently under his/her direction.

QUALIFICATIONS:

Strong personal leadership, management and organization skills as well as the ability to integrate and harmonize diversified functions to provide overall efficient and effective contract operations. Requires 5-10 years' experience leading multi-disciplined teams in the technical areas addressed by the contract. Training or college degree in technical or business field is desirable. Must have demonstrated knowledge of project management processes and typical computer applications and demonstrated communication, analytic and problem-solving, team building and collaboration skills. The ability to resolve problems quickly by determining appropriate courses of action and involving the correct personnel or functions is required. Must be flexible and have well developed interpersonal skills. May be subject to government security investigation and must meet eligibility requirements for access to classified information as required by the contract.

SECURITY CLEARANCE: Must be a US Citizen and able to obtain and maintain a National Agency Check with Inquiries NACI in order to obtain a Common Access Card (CAC). Must be able to obtain a Secret Clearance and maintain a Military CAC. In addition you will be required to continuously maintain a current State of Colorado Driver's License prior to start date or by 30 days after employment.

AMAZON IS COMMITTED TO LAUNCHING CAREERS

Start an hourly job and build a career — with us or elsewhere.

Amazon believes everyone should have the opportunity to learn new skills and build their career – whether that means at Amazon or in other industries. We've made a \$1.2 billion commitment to upskilling our employees by investing in multiple programs designed to help our people learn, adapt, and excel – in life.

Our approach to your success focuses on three areas:

Higher Education Support

Apprenticeships & Certifications

Mentorships & Learning Skills

Career Choice

An innovative upskilling program that provides tuition support and training in high-paying, in-demand fields.

- **College**

Education options that allow Amazon employees to start or continue earning credit towards a degree.

- **Pathways**

Education and job training to help Amazon employees find a new job at Amazon or elsewhere.

- **Foundations**

English Language and other foundational skills to help Amazon employees excel in their current role.

Robotics Management Apprenticeship

Learn the world of robotics and mechatronics within Amazon. There's a potential to receive up to 40% more in pay with completion of the training.

User Experience Design and Research Apprenticeship

A one-year, instructor-led training program that offers employees the opportunity to learn and develop skills in research and design.

AWS Grow Our Talent

On-the-job training to help Amazon employees with nontraditional backgrounds to innovate within Amazon Web Services (AWS) data centers.

Amazon Technical Academy

A free, nine-month training program that gives Amazon employees the essential skills to transition into entry-level software developer engineer roles within Amazon.

Mentoring Programs

Structured, one-on-one relationship programs offered to newer associates and even current or prior members of the military to connect Amazonians throughout the organization with the goal of increasing knowledge and skills to improve social networks inside Amazon.

To learn more, go to:

amazon.com/careers-now

Start your training while you complete your military service.

Transition into a career as a United Rentals service technician.

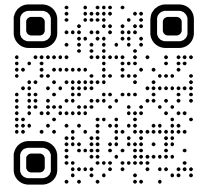

If your military service is coming to an end, it's time to start thinking about your next move. As the world's largest equipment provider, we want to train you to become a United Rentals Service Technician. Our 14-week training program will provide you with the skills you need to build a thriving career. We offer best-in-class benefits, continuous development, growth opportunities, and more:

- On-the-job training (OJT), equipment operation, safety training and certifications
- Job rotation to teach you about our industry and growth
- During OJT you will learn to perform equipment inspections, basic maintenance tasks, and demonstrate diagnostic/troubleshooting skills under the supervision of senior-level technicians
- Upon completion, participants may be eligible to receive full-employment and MACTools set
- Relocation assistance may be available to any of our 1,200 locations with open positions

We have training locations near most military bases (CONUS) and are open to supporting individual SkillBridge training opportunities. This is real-world job experience with a DOD trusted employer.

Interested? Let's connect.

Please contact Kelly French at kfrench@ur.com for information and details.

TODAY'S MISSION: LOVE YOUR JOB

*At Fountain-Fort Carson School District 8, we are on a mission. We have a diverse team with different strengths, skills and roles. But each of us arrives each day knowing that we are part of one powerful purpose: **Working together to support kids and families, where they are today.***

You help kids. We help you.

Regardless of position or title, you can help our students learn, grow and thrive. And we keep good people by treating our employees as professionals — and caring for them as people.

- Insurance and benefits
- Resources for physical and mental wellbeing
- Paid training
- Family-friendly culture
- Committed to safety in every school

Our team members are more than a number, an assignment or a timesheet. They are people with talents, interests and relationships — the fabric of our school system. And together, we make a difference.

Who we are.

We are a public school district developing world-class learners in the Fountain and Fort Carson communities. Our schools are home to Colorado's most diverse learning community, including military families and children. We are committed to meeting the needs of each student, and we are known as a trusted partner to families who have children with special needs.

YEAR-ROUND OPENINGS

All year long, we need great people. Bus drivers, food service workers, paraprofessionals, custodians, substitutes — each of these roles is mission critical.

TEACHER OPENINGS

In addition to hiring licensed teachers from March to July, we also fill open teaching positions throughout the school year.
