CHEYENNE MOUNTAIN STATE PARK TRAIL USE

The use of the trails for PT is welcomed at Cheyenne Mountain State Park (CMSP) but has been limited to the early morning hours during the weekdays only. Some other guidelines for use of the park for PT have been provided by CMSP. --There is provision in the CMSP regulation for parks passes that states that any vehicles on official duty are exempt from parks passes. This has been extended to Fort Carson personnel using the trails for PT, but this only applies to marked government vehicles used to access the park.

--All personal vehicles are required to have a valid parks pass.

--All Fort Carson personnel are also welcome to hike or bike into the state park free of charge. But if driving a personally owned motor vehicle, a pass is required.

--With the newly opened Dixon Trail, CMSP would like to know when personnel will be using it for PT in order to provide notification to the public of additional traffic. This trail is narrow and steep with multiple uses so the additional traffic from PT can be a concern. Contact the park visitor center at 719-576-2016 to make these arrangements in advance.

--Lastly, all active-duty military, reservists, and retired military personnel are allowed free entrance into all Colorado State Parks for the month of August. They can stop by the visitor center and they will be issued a free parks pass for the month of August.
