Checking the wristband of each fan that walks to the McDivitt Club is a must to ensure the correct fans are in their respective space.

#### Club Check In/Club Attendant

Wristbands are changed each home match. There will be staff members stationed inside the McDivitt Club door on the first floor, Phil Long Club door on the first floor, and at the entrance of the Founders Club on the second floor that will be responsible for giving the correct fans the correct wristband. A clipboard will be provided with the names and number of tickets for each club. Fans are to enter the door corresponding to their club tickets (i.e. McDivitt Club, Phil long Club, Founders Club). These staff members will be placed sporadically around the outside of the stadium telling them which gates to go through, where the ADA entrances are if needed, and bag policies while they are still near their vehicles. These staff members must be able answer any questions that fans may have regarding entrances, how to get tickets, and any policies.

#### **Ticket Scanners**

Ticket scanners are to scan every ticket that enters the stadium. These staff members are responsible for checking that they are real tickets and not screenshots or duplicate tickets. In order to see the ticket statuses, no settings on the phone scanner are to be adjusted or changed including the sound and brightness of the screen. No other apps are to be opened on the phone scanners other than the ticket scanning app. Ticket scanners are not to leave the gates until replaced by another staff member or told to do so by a supervisor. Phone scanners are not to be taken from the gates unless they are being turned back in at the end of the shift. If you are having issues with scanning a ticket, you are expected to contact the box office for assistance and ask those fans with problems to step to the side while waiting for help. Ticket scanners need to be positioned in their lane at all times to maintain a steady flow of fans entering the stadium.

#### Gate Assistance

These staff members are not to leave the gates until told to do so by a supervisor. These staff members are not to help or crowd the ticket scanners to ensure the entrance remains accessible for all fans. Please be knowledgeable

ahead of the match of section numbers, locations of apparel, lost and found, concessions, and all policies to guarantee the correct information is being told to the fans.

#### **Employee Check In**

This includes inappropriate behavior, violation of fan conduct, fans jumping the railings, fans entering the field, etc. This staff member is to act professionally at all times being on the pitch near both the home and away team. Though the field usher is on the pitch, they are expected to keep their attention on the fans rather than the match going on.

#### **Promotional Giveaway**

Certain game days will include exclusive giveaways to the fans as they enter the stadium. Each fan gets one of those items when they enter the gate. All promotional items will be available while supplies last. Fans are not allowed to receive more than one promotional item nor go to another gate from inside the stadium to receive a promotional item. After all items run out, boxes are to be broken down and placed in recycling and tables are to be put away to clear the entrance of the gate. Promotional items are not allowed to be taken by staff members before or while gates are open.
