

Spouse deployed?

Let us lend a hand.

We understand the unique challenges faced by military families when a spouse deploys and are proud to offer assistance through our **Deployed Spouse Program**. Our military residents with a deployed spouse are eligible to receive:

- Pre-deployment preventive maintenance inspection and services
- Extended lawn care services to include mowing of fenced-in back yards
- Snow removal from driveways and/or entry sidewalks to the home
- Maintenance support and assistance with standard household tasks such as hanging pictures, moving furniture, etc.

In addition, our LifeWorks program features we look to schedule monthly resident activities and events specifically geared toward spouses and children. Our mission is to ensure your family remains an active member of our community and that you receive the support you need throughout the deployment term—if there is ever any additional way we can help, we want to know about it.

If your family will be experiencing a deployment, contact our community management team to review and schedule your Deployed Spouse Program services and enjoy the peace of mind of an extra helping hand.
