- Help Service members achieve financial stability by providing personalized budgets and financial planning to reduce, eliminate, and avoid debt.
- Provide education and counseling to Service members and their families on money management techniques and tax planning.
- Identify immediate and long range measures to increase income, reduce expenses and avoid additional financial burdens.

Required Qualifications

- A minimum of a Bachelor's degree coupled with at least three years' experience in financial counseling or education.
- A national certification as an Accredited Financial Counselor (AFC), Certified Financial Planner (CFP) or Chartered Financial Consultant (ChFC).
- Demonstrated experience using MS Office products, (Excel, Word, PowerPoint).
- Must clear a background check including criminal history and credentials verification.
- A valid, unrestricted motor vehicle license.

About Zeiders

Zeiders is a privately held, veteran-owned government contractor with over employees worldwide. For over 30 years, we have been fulfilling the mission of delivering quality of life services and support that make a positive difference for individuals, families and organizations in the military community.

Zeiders Employees have a passion for the mission and expertise for the solution.

“I enjoy the ability to make a positive difference in our Service people’s lives. Being a certified Personal Financial Counselor allows me to be creative. I consistently find new ways to communicate and be effective in how I present financial ideas to Service people. My goal each time I counsel an individual and/or family member is to provide a valuable financial concept and inspire them to use it starting the same day. I also enjoy the continued relationships I have built with the POCs in various assignments.”

– Zeiders Employee
