

ATTN Veterans, Military Spouses, and Transitioning Service Members!

Google VetNet, Google's internal Employee Resource Group for veterans, military spouses, and allies, is organizing virtual 1:1 meetings between Google volunteers and any veterans, MilSpouses, and transitioning service members interested in reviewing their resume, conducting an informational chat, and/or discussing their career transition. No matter where you are in your career, this is a great opportunity to connect with a Googler in a 30-minute sync to gain valuable advice on how to advance your career aspirations.

If interested in participating, please complete the below form by June 1, 2020. There are a number of required steps to submit the form, so please ensure you follow the instructions. Once done, you will be introduced to your Google partner on June 15 who will coordinate a time and date to connect virtually. Please sign up quickly as spots are limited.
