Dear Parents and Guardians,

Come sail away for a summer of fun as Patriot School Age Center takes off on a Fantasy Voyage

We have designed each camp to specifically meet the interests of our children and even added new camps this summer. *You talked and we listened!* We encourage you to work with your child when choosing camps to ensure the best summer experience for your child. Each summer camp runs daily, 9:00-11:00, for one week. We start off the week with our "Wake Up, Shake Up" starting the day off motivated with a group song and introduce the camps of the week.

In the afternoon, our fantasy voyage theme takes over and we experience new ports and excursions (group games and activities) to help extend the excitement from the morning.

Our field trips will be based on the port of the week. We also are inviting guest speakers to come and share their talents with our center. We are committed to offering a well-rounded, eventful summer camp experience for each and every child.

Come share the fun, expand your knowledge, learn life skills and make memories.

Your imagination is Calling, Come Sail Away!

Sincerely, Patriot SAC Team
