

SUMMER CAMP

2022

Registration

To register for any week of summer camp, please make an appointment with Parent Central by calling 526-1101.

Rates

Rates for camp are based on household income category as per the updated 2021 fee schedule.

Camp Schedule

Week 1: Splash Into Summer *May 31 - June 3*

Put your backpacks away and let's splash into summer! Water activities to start the summer from duck races to water fights, all to cool off from the heat of the sun. We will eat lunch outside in the shade while enjoying the beautiful weather. Come join us for a splash experience!

Week 2: Jr. Master Chef

June 6 - June 10

Join us for our Jr. Master Chef Camp, an entire week dedicated to learning and implementing the culinary essentials. From sauteing to plating, we will be focusing on elevating our culinary skills to our highest potential.

Week 3: Science Week

June 13 - June 17

If you love science, playing with food, or making a mess, this camp is for you! This week includes 15 science experiments from making glow in the dark Jell-O to creating elephant toothpaste. Work as a team or individually to solve problems while learning basic scientific principles.

Week 4: Hogwarts Camp

June 20 - June 24

Youth will participate in many activities from being sorted into their "Hogwarts House" and competing for points, to learning potions and spells. Youth will also enjoy making new Hogwarts crafts and treats throughout the week. Hop on to platform 9 3/4 and join us for a week at Hogwarts!

Week 5: Exploring Colorado

June 27 - July 1

We're outsssiiddee! Get up and explore everything Colorado has to offer! Join us as we team up with Outdoor Recreation to have the most active and adventurous week you've ever experienced.

Week 6: Nerf Wars

July 5 - July 8

Join us for a week of Nerf wars, obstacle courses, and target practice! If Youth own their own nerf gear, they are highly encouraged to bring it in. (Mark your ammo so we know it's yours!) Youth will compete throughout the week to earn points and prizes.

Week 7: Science Exploration

July 11 - July 15

Come geek out for a whole week while we explore everything S.T.E.M. – but don't forget about the Denver Nature and Science Museum! We will spend an entire day exploring, watching IMAX movies, and more!

Week 8: Creative Campers

July 18 - July 22

Celebrate your creativity at the Youth Center with an art filled week of activities every artist dreams of. This week is dedicated to expressing your inner artist by exploring the Denver Art Museum, art classes, and more!

Week 9: Game Show Challenge

July 25 - July 29

Think you can master a week full of challenges? Find out during our Game Show Challenge week while we bring back some of the classics!

Week 10: Outdoor Rec

August 1 - August 5

To soak up the last week of summer, let's spend time outside with activities like kayaking, fishing, disc golf, and a day of obstacle courses at the park! Let's end the summer with a bang!
