16 October 2018

Dear Parents;

With another winter season upon us we wish to notify you about the inclement weather plan for Child and Youth Services (CYS) programs when there is a weather-related post closure.

During a weather-related post closure, if you are required to work, CYS will operate and open the following facilities to ensure full-day and Before & After school care is provided for your children:

**If Post is closed AND School District 8 is CLOSED:**

- Child care will be provided at the East CDC, Bldg. 6058 for all CDC and Kindergarten children. The East CDC is located just inside Gate 1 on Coleman Avenue. The phone number is 719-526-5977. We request that parents bring any emergency medications the child may need as well as diapers and a change of clothes.
- For School Age children/youth, Patriot School Age Center will open for youth that normally attend Patriot SAC, Mesa SAC, or the Before School Program at the Youth Center. Patriot SAC, Bldg. 6204 is located on Harr Avenue just inside Gate 1.
- All non-critical CYS programs will close (SKIES, Hourly Care, Part-Day Pre-School, Youth Center Open Recreation and Outreach)

**If Post is closed BUT School District 8 is OPEN:**

- Child care will be provided at the East CDC, Bldg. 6058 for all CDC children except Kindergarten children.
- School Age Youth who attend Patriot or Mesa SAC will attend these programs as normal.
- Kindergarteners that attend Cheyenne Mtn CDC will receive care at Patriot School Age Center. Kindergarteners that attend Aspen CDC will receive care at the Mesa School Age Center. Children will be walked or bused to school and back again as normal.
- The Youth Center will be open after school and remain open until 1800.
- Pre-school students that attend Weikel Elementary School will be walked to and from Weikel Elementary School from the East CDC by CYS staff.
- These facilities will operate at their normal times during weather related installation closures unless directed otherwise by the installation commander.

For weather related early releases or delayed reporting CYS Services essential child care programs will operate as normal.

If you have questions or concerns please contact your facility manager.
