EVER VIGILANT

## Background Investigator Positions - Available Now!

### You & CACI: The Perfect Fit

If you are a highly talented, ethical person with integrity, then CACI is the perfect place for you! Whether you are new or experienced in the field of investigations, CACI is your ticket to a great career.

As a CACI background investigator, you'll play a vital role in national security by providing the Federal government with quality investigations on individuals who have applied for a security clearance.

### Background Investigator Level I

The following are exceptional candidates for this entry-level investigator role:

- Transitioning military personnel and veterans
- Recent college graduates interested in embarking on a career in investigations
- Prior law enforcement professionals

Level I positions require either a four-year degree or four years of progressive work experience. Qualified applicants with an active Secret or Top Secret clearance are eligible to begin work in less than 30 days.

Full-time Investigators work 40 hours per week, with an hourly wage plus Health and Welfare (H&W) benefits. Also, employees receive mileage reimbursement at the current GSA rate. CACI employees are eligible for CACI's full benefits package, including:

- Extensive health care package
- 401k with company match
- Vacation and sick leave
- Company stock purchase program
- Education reimbursement
