

# USAA JOB FAIR

USAA is currently hiring customer service and sales reps. We will be hosting an on-site job fair at our Colorado Springs office so you can learn more about our opportunities and USAA. At this job fair, we will show you our campus, facilitate a resume workshop and answer any questions you may have. This job fair is open to the general public, to include all veterans, active duty, guard/reserve and family members. Come join us, and see why we've been a Top Workplace for four years running. Register today!
