Our Mission: to bring job-seeking military veterans together
with hiring companies to fill open positions worldwide.

Transition Assistance

We are not merely a job board or a recruiting
service: we are dedicated to providing both
proactive assistance for veterans and their
families with their transition back into the civilian
workplace, and assistance for companies with
open positions in fulfilling their recruitment needs.

Connecting Jobs to Veterans

Open positions, both stateside and overseas,
may be viewed at the Careers Directory on our
website www.military-civilian.com

Some positions require security clearances:
others are open to all including spouses.

You may also sign up for the Careers Newsletter
