Booz Allen Hamilton Hot Jobs List

The following is an update highlighting new career opportunities at Booz Allen Hamilton for which military talent will be competitive. This update only highlights a small portion of our open career opportunities. To review **all** open jobs, please select Booz Allen Hamilton Careers.

When reviewing the career opportunities, ensure you meet **all** the Basic Qualifications before applying. **Please update me if you apply to any and I will work to help move the process forward for you.** Please include the job number with your update.

Req	Title	Location	Qualifications
R0044965	Full Motion Video Imagery/Intelligence Analyst	Hampton, VA	TS/SCI; AA or AS degree and 4+ years of experience with intelligence work or BA or BS degree or 6+ years of experience with intelligence work in lieu of a Bachelor's degree. Experience with FMV tools, including ArcGIS, Google Earth, MAAS, DVA, SOCET, CAWS, and AIMES
R0042306	Cost Estimator	Norfolk, VA	Secret; B.A./BS; Defense Acquisition University or International Cost Estimating and Analysis Association Cost Estimating Certification; DAWIA Level II: Cost Estimating and Financial Management Certification; DAWIA Level I: Program Management Certification
R0046178	Electronics Technician	Aberdeen, MD	TS; HS diploma or GED, Technical School, or Class A, B, or C military school in electronics and communications or relevant Military Occupational Specialty (MOS), or 4 year of electronics apprentice program. 6+ years of experience in electronics industry or military electronics
R0045707	Aircraft Military Program Manager	Oklahoma City, OK	AA/AS; 8+ years of experience in a professional work environment. 4+ years of experience with government acquisition or program management processes
R0040848	Construction Manager	Okinawa, Japan	B.A./BS; 3+ years of experience in an engineering, architecture, or construction field. 3+ years of experience with managing construction projects, including formulating project requirements, refining project requirements in engineering terms, submitting documents, interpreting and executing project designs and construction methods, accepting project documentation, and completing projects

R0026133	C4I Integration Engineer	DC: Jacksonville, FL; Norfolk, VA; or San Diego, CA	Secret; B.A./BS; 10+ years of experience with naval surface combatant C4I system integration and support, including planning the upgrade, installation, commissioning, testing, management, and support for naval C4I systems
R0035634	Targeter	McLean, VA	TS/SCI w/poly; B.A./BS; 5+ years of experience in the intelligence community. Experience with the targeting life cycle. Knowledge of all-source intelligence, including SIGINT, MASINT, IMINT, and HUMINT
R0016000	Defense/Military Researcher/Manager, Senior	MENA	5+ years of experience as either a Foreign Service Officer (FSO) in the US Department of State, a Foreign Area Officer (FAO) within the US DoD, or as a senior official in an FFRDC or Think Tank, including National Defense University, Council on Foreign Relations, Brookings Institution, CSIS, CSBA, Center for American Progress, or the Atlantic Council working in the MENA region
R0021679	Joint Military Analyst	MENA	18+ years of experience as a US military officer in a warfare specialty or intelligence specialty at the O4-O6 level. Completion of acquisition training, education, or certifications, including Defense Acquisition University, DAWIA Certification, or membership in the Acquisition Corps
R0046600	Joint Military Analyst, Senior	MENA	B.A./BS; 18+ years of experience as a US military officer in a warfare specialty or intelligence specialty at the O4-O6 level. Experience as a Joint qualified officer with JPME phases I or II, including Joint Staff, Combatant Command staff, or Joint Task Force staff
R0046797	Cyber Defense and Infrastructure Cybersecurity, Senior	Atlanta, GA or McLean, VA or New York, NY or San Antonio, TX	B.A./BS; CompTIA Security+; 2+ years of experience with network infrastructure switches and routers. 2+ years of experience with implementing and configuring IT infrastructure systems, including operating systems, applications, databases, firewalls, and networks. 2+ years of experience with network protocols IPv4 or IPv6
R0042215	Cyber Cloud Architect, Mid	El Segundo, CA	B.A./BS; 3+ years of experience with Cloud security assessment methodologies. 3+ years of experience with knowledge, and securing architectures in Cloud computing environments, including Amazon Web Services (AWS) and Microsoft Azure

R0037499	Acquisition/Contracts Specialist, Mid	San Diego, CA	TS/SCI; B.A./BS; 3+ years of experience with any of the following: procurement planning, pre-award documentation, post-award proposal management, and contracts administration. Experience with providing contractual advice to customers or clients, including researching, analyzing, and interpreting complex acquisition rules and regulations
R0038474	Network Engineer, Senior	San Diego, CA	Secret; Security+ Certification; 5+ years of experience with network administration. 3+ years of experience with enterprise networks. 2+ years of experience with IT network design and deployment
R0035481	Integrated Master Scheduler, Junior	San Diego, CA	B.A./BS; Experience with scheduling and planning. Experience with managing enterprise or integrated schedules.
R0040121	Data Science Machine Learning Lead	San Diego, CA	B.A./BS Statistics, Machine Learning, Mathematics, CS, Computer Engineering, Industrial Engineering, or Operations Research. 7+ years of experience with analytics, Big Data, data science, machine learning, or artificial intelligence, including serving in technical delivery roles, such as data scientist, developer, architect, engineer, mathematician, statistician, or machine learning specialist. 5+ years of experience with leading or managing delivery teams, projects, development efforts, or research efforts and traditional and Agile framework project management approaches and constructs
R0046523	All-Source Analyst, Senior	Tampa, FL	TS/SCI; 10+ years of experience with military intelligence and recent specialized intelligence analysis training or BA, BS, MA, or MS degree or 8+ years of experience with intelligence analysis and recent specialized intelligence analysis training. Experience with performing all-source intelligence analysis
R0039574	Mobile Security and Vulnerability Engineer	Quantico, VA	TS; BSCS or CompEng; Experience with reverse engineering software using disassemblers and debuggers, including IDA Pro and gdb. Knowledge of computer architecture, including x86, ARM, MIPS, Power PC, or x86_64

R0039868	Privacy Trust Consultant	Washington, DC	BS/BS; 2+ years of experience with drafting PIAs and analyzing privacy risks for data collections and systems. 2+ years of experience with applying a variety of program management and business process management concepts, methods, tools, and techniques, including gap analysis, risk analysis, performance-based metrics, and lessons learned
R0038099	Cyber Tester, Lead	Washington, DC	B.A./BS; 5+ years of experience with IT audits, including conducting technical security compliance tests and vulnerability assessments. 3+ years of experience with developing or implementing risk management strategies. 2+ years of experience in a lead role. Knowledge of NIST SP 800 series and testing and NIST SP 800-53 security controls
R0042938	ISSO Team Lead	Arlington, VA	Secret; B.A./BS; CISSP Certification; 10+ years of experience with IT or Cybersecurity. Experience with RMF and DIACAP accreditation processes. Knowledge of NIST SP 800
R0044887	All-Source Intelligence Analyst	Washington, DC	TS/SCI; HS diploma or GED and 7+ years of experience with economics or all source research and analysis, AA or AS degree and 5+ years of experience with economics or all source research and analysis, BA or BS degree and 3+ years of experience with economics or all source research and analysis, or MA or MS degree and 2 years of experience with economics or all source research and analysis
R0033552	Security Cooperation Resource Analyst, Senior	JB Pearl Harbor-Hickam, HI	Secret; M.A./MS; 8+ years of experience with supporting DoD operations, strategy, policy, or planning. 6+ years of experience with international affairs supporting US security cooperation and security assistance or international development organizations
R0045697	Information Operations Planner, Senior	Halawa, HI	TS; B.A./BS; 3+ years of experience with military planning at the Combatant Command or Combatant Command Component level. 2+ years of experience with IO planning. Knowledge of military doctrines, tactics, and command relationships at a Marine or Joint or Combined Command level
R0046494	Anti-Threat/Force Protection Specialist	Halawa, HI	B.A./BS; 2+ years of experience with AT, FP, and critical infrastructure programs. Experience in the Pacific Rim region

ID	Title	Location	Requirements
R0033168	Strategy Division Planner, Senior	JB Pearl Harbor-Hickam, HI	TS/SCI; B.A./Bs; Graduate of School of Advanced Air and Space Studies (SAASS) or School of Advanced Military Studies (SAMS). 5+ years of experience in an Air Force AOC. 5+ years of experience with Joint Operational Planning Process - Air (JOPP-A) and crisis planning or deliberate planning. 5+ years of experience in the areas of C2, ISR, fighter, bomber, or intelligence
R0041493	Cloud Architect and Engineer, Senior	Pensacola, FL or Herndon, VA	Secret; B.A./BS; 5+ years of experience with Amazon Web Services (AWS), including EC2, Network, ELB, and S3. 5+ years of experience in a Cloud architect or engineer role and in a technical consulting, solution architect, or presales engineering role. 5+ years of experience in designing, implementing, or consulting with distributed applications. Experience with Akamai CDN Solutions
R0026446	Information Assurance Officer, Lead	Pensacola, FL	TS/SCI; B.A./BS; DoD 8140 or 8570 Level 3 Certification, including CISSP or CISM; 7+ years of experience with system assessment and authorization (A&A). Experience with RMF and DIACAP accreditation processes. Knowledge of NIST SP 800-37 and NIST SP 800-53
R0030082	Computer Network Defense Analyst, Mid	Pensacola, FL	TS; B.A./BS; DoD 8570 IAT Level II Certification, including Security+ CE; 3+ years of experience with incident handling, forensics, sensor alert tracking, or Cybersecurity case management. 1+ years of experience in a NOC or SOC.
R0036950	Machine Learning Engineer, Senior	McLean, VA	B.A./BS in a Science, Technology, Engineering, or Mathematics field. 5+ years of experience with application of machine learning techniques. Experience with developing machine learning systems. Experience with programming languages, including Python, R, or C++
R0006505	Data Scientist	McLean, VA	TS; B.A./B.A.; Experience in working with SAS and SQL. Ability to analyze and resolve critical data issues using various methodologies and ensure data integrity. Ability to analyze data to help determine market conditions, financial statements and forecast profitability, as needed

R0020756	Data Analyst/Collection Manager	Springfield, VA	TS/SCI; B.A./BS; 3+ years of experience as a data analyst or data scientist. Experience as a GEOINT collection manager, data analyst, or engineer. Experience with automating and streamlining processes. Knowledge of SQL or equivalent database language or how to apply scripting languages, including Python to extract data from a database. Knowledge of the imagery TCPED process and imagery requirements life cycle
R0045942	GEOINT Product Quality Analyst, Junior	Fort Belvoir, VA	Experience with providing direct support to geospatial intelligence (GEOINT) missions. Experience with GEOINT product quality processes and technologies. Experience with product quality techniques. Experience with collection management, or mission management, or GEOINT operational environments. Knowledge of DoD or IC architectures and collection capabilities
R0035589	Multi-INT Collaboration Specialist, Mid	Fort Belvoir, VA	TS/SCI w/poly; 5+ years of experience in the intelligence community (IC) or DoD or AA or AS degree and 4+ years of experience in the IC
R0046711	Arabic Intelligence Linguist, Senior	Tampa, FL	TS/SCI; 10+ years of experience with using intelligence operational architecture to support operation plans in concept format (CONPLANS), as necessary, ISR tasking, processing, exploitation, and development (TPED), central region AOR operational architecture, exercise observation reports, verbal briefings, and other written documents. Ability to show proficiency in at least 1 target language of the areas of interest by achieving a minimum level equivalent of 3+/3+/3+ comprehension and oral proficiency according to the interagency Language Roundtable (IRL) scale, as measured by the Defense Language Proficiency Test (DLPT)
R0046712	Knowledge Management, Senior	Tampa, FL	TS/SCI; B.A./BS; Experience with knowledge management and business process mapping or re-engineering in a consulting environment. Experience with data gathering and analysis. Experience with Microsoft SharePoint

R0046720	Web Designer	Tampa, FL	TS/SCI; Experience with front-end Web design and development to conceptualize and create cutting-edge Web sites. Knowledge of Web development to model, design, and code intuitive, functional, and clean Web and application interfaces
R0046744	Operational Requirements Specialist	Tampa, FL	TS/SCI; 4+ years of experience with requirements analysis; 3+ years of experience with briefing senior leadership and clients
R0043909	Systems Engineer, Junior	Fort Meade, MD	TS/SCI w/poly; B.A./BS; 7+ years of experience as a systems engineer. Experience with creating System Engineering Plans, Initial Capabilities Documents, Requirements specifications, and Interface Control Documents. Knowledge of system architecture, work-breakdown structures, work packages, and the integrated master plan
R0046029	SIGINT Tool Systems Engineer	Annapolis Junction, MD	TS/SCI w/poly; BS and 14+ years of experience with systems engineering or no degree and 19+ years of experience with systems engineering. 14+ years of experience with systems engineering. Experience with creating system engineering plans, initial capabilities documents, requirements specifications, and interface control documents. Knowledge of system architecture, work-breakdown structures, work packages, and the integrated master plan
R0044271	Platform Engineer, Mid	Annapolis Junction, MD	TS/SCI w/poly; -BA or BS degree and 4+ years of experience with platform engineering or 9+ years of experience with platform engineering in lieu of a Bachelor's degree. 4+ years of experience with Linux, including RHEL or CentOS or Perl and Shell programming. 2+ years of experience with VMware ESX, Citrix, and Microsoft Server

R0046064	Systems Engineer, Mid	Fort Meade, MD	TS/SCI w/poly; B.A./BS Systems Engineering, CS, Information Systems, Engineering Science, or Engineering Management. 7+ years of experience as a system engineer. Experience with providing technical direction for the development, engineering, interfacing, integration, and testing of specific components of complex hardware or software systems. Experience with requirements elicitation, analysis and functional allocation, systems requirements reviews, concept of operation and interface standards development, system architecture development, risk assessment and quantification, technical or non-technical assessment and management, and end-to-end flow analysis
R0009161	Graphics Designer, Mid	McLean, VA	TS/SCI w/poly; 3+ years of experience with graphics design. Knowledge of industry standard graphics design software, including Adobe Creative Suite and Microsoft Office. Ability to apply complex graphics design principles, theories, and practices. Ability to create conceptual designs for Web pages and other electronic media
R0037513	Web Designer, Mid	McLean, VA	TS/SCI w/poly; 2+ years of experience as a Web designer and developer. Experience with HTML, CSS, JavaScript, and cross-browser compatibility issues. Experience with Adobe Photoshop, Illustrator, and Microsoft Office. Ability to display a portfolio showcasing broad design
R0041208	Financial Analyst, Senior	Fort Knox, KY	Secret; M.A./MS; 10+ years of experience with federal financial management. 10+ years of experience with General Funds Enterprise Business Systems (GFEBS)
R0042310	All Source Intelligence Analyst	Redstone Arsenal, AL	TS/SCI; B.A./BS and 6+ years of experience with all-source intelligence or 8+ years of experience with all-source intelligence in lieu of a Bachelor's degree
R0034745	Knowledge Manager/SharePoint Designer	Anchorage, AK	Secret; B.A./BS; 8+ years of experience with Knowledge Management; 3+ years of experience with SharePoint Designer

R0045111	Operations Planner	Wiesbaden, Germany	TS/SCI; B.A./BS; Graduate of US Army Command and General Staff College; 10+ years of experience with operations planning; 2+ years of experience in operating at the Army Service Component Command and below level; 2+ years of experience working with NATO or multinational forces
R0039278	Aircraft Mission Planner	Beale Air Force Base, CA	TS/SCI; B.A./BS; Experience with one of the following areas: DoD aircrew, private, corporate, commercial, or law enforcement aircrew, air traffic control, commercial flight planning, DoD flight, or mission planning. Experience as a significant sensor planner
R0035929	Counter-IED Training Analyst	Fort Hunter Liggett, CA	Secret; AA/AS; 8+ years of experience in the US Army or Marine Corps; 4+ years of experience as an EOD, engineer, or combat arms; Experience with deployment to the MENA region; Experience with C-IED training and formal military training and education techniques; Experience with MSEL development
R0043704	Defense System Acquisition Analyst, Senior	San Diego, CA	Secret; B.A./BS; 5+ years of experience with DoD acquisition programs, including ACAT I-IV and AAP. 3+ years of experience with direct support of a Navy or equivalent organization performing systems acquisition. Experience with DoD and SECNAV 5000 instructions and the development of associated acquisition documents, including JCIDS, acquisition strategies, acquisition program baseline, cost analysis requirements description, AoA, and integrated master schedules
R0045161	Military Surface Warfare Tactical Analyst, Senior	San Diego, CA	Secret; B.A./BS; Navy Tactical Action Officer Qualification; 15+ years of experience with Manpower, Personnel, and Training (MP&T), including service at the senior staff level. Experience with Navy surface warfare specialties
R0044935	Cybersecurity Risk Analyst, Mid	Colorado Springs, CO	Secret; 5+ years of experience with consulting, information security, risk management framework, or the application of Cybersecurity to equivalent technology areas

R0041649	MENA All-Source Dissemination Analyst	Washington, DC	TS/SCI; BA or BS degree or 3+ years of experience with military or intelligence analysis. 2+ years of experience with intelligence analysis or specialized all-source intelligence analysis training. Experience with conducting research, including Boolean logic and high side reporting tools, including TAC, RMT, or Palantir
R0045194	Joint Information Operations Project Officer	Tampa, FL	TS/SCI; BA or BS degree and 10+ years of experience with the military or DoD or MA or MS degree; 5+ years of experience with military force activities, including counter-proliferation, counterthreat, foreign internal defense, security force assistance, information operations, military information support operations, and civil affairs operations. 5+ years of experience with IO operational methods, techniques, tactics, and procedures, and influence in the information environment
R0044230	Counter-Unmanned Aircraft System and Electronic Warfare Integrator/Operator	Honolulu, HI	Secret; 8+ years of experience with the US military. 4+ years of experience with leading US military training. Experience with UAS. Experience with EW
R0044842	Functional Analyst	Scott Air Force Base, IL	Secret; 8+ years of experience in the functional analysis field. Experience with Public Key Infrastructure (PKI). Experience with reviewing and providing recommendations on DoD or Air Force Policy. Knowledge of DoD or Air Force strategic planning and IT life cycle assessments
R0044085	Requirements Manager	Bossier City, LA	TS/SCI; B.A./BS; 5+ years of experience with the DoD Architecture Framework (DoDAF) or Federal Enterprise Architecture. Experience with an Air Force Command
R0042492	AF Space ISR Specialist	Fort Meade, MD	TS/SCI w/poly; AA/AS; 8+ years of experience with Air Force ISR systems, operations, and intelligence support requirements. 4+ years of experience with Air Force ISR support to Space, Air Force Space capabilities and US Cyber Command (USCYBERCOM) missions and capabilities
R0044018	Communications Specialist, Senior	Aberdeen, MD	Secret; 8+ years of experience in facilitating advertising, marketing, communications, media relations, creative editorial, and design services. Experience with developing online and printed forums, including internal private and public facing Web sites

R0035604	Cryptologic Intelligence Subject Matter Expert, Senior	Fort Meade, MD	TS/SCI w/poly; AA/AS; 8+ years of experience with performing and managing Air Force cryptologic ISR operations, including Air Force Distributed Common Ground System (AF DCGS), airborne cryptologic ISR, including RC-135V/W Rivet Joint, or national agency cryptologic centers. 5+ years of experience with squadron level or higher project management. 2+ years of experience in writing, interpreting, inspecting, or implementing national and AF ISR policy, directives, and guidance
R0044669	Cyber Subject Matter Expert, Senior	Hanscom Air Force Base, MA	TS; B.A./BS; Certified Information Systems Security Professional (CISSP) Certification required. 5+ years of experience with Air Force Cybersecurity. Knowledge of DoD acquisitions and urgent operational needs
R0044910	SharePoint Analyst	Troy, MI	B.A./BS; CompTIA Security+ Certification. 2+ years of experience with SharePoint or a content management system. Experience with end user interaction. Experience with implementing HTML, CSS, and JavaScript into SharePoint
R0042514	Knowledge Management Content Manager/Trainer	Fayetteville, NC	Secret; B.A./BS; 2+ years of experience with content management. 2 years of experience with SharePoint Portal operations . 1 year of experience with SharePoint 2013 and SP 2013 workflow design and implementation, administration, and configuration. Knowledge of federal government or DoD information assurance (IA) security controls
R0041595	GEOINT Science Technologist/Engineer/Mathematician	Dayton, OH	TS/SCI; BS degree in EE, Math, or Computer Eng; 5+ years of experience with GEOINT synthetic aperture radar analysis. 5+ years of experience with intelligence, surveillance, and reconnaissance (ISR) sensor collection systems or processes, including radio frequency (RF) radar or electro-optic and infrared, including EO or IR imaging, hyperspectral imaging (HSI), or light detection and ranging radar (LIDAR). 3+ years of experience with developing algorithms or data analysis solutions in MATLAB, Python, Pandas, and Java

R0042566	Operations Research Analyst, Senior	Okinawa	Secret; B.A./BS; 5+ years of experience with operations supporting a Marine Logistics Group (MLG), a Major Subordinate Element (MSE) of an MLG, Marine Logistics Command, or other DoD commands. Knowledge of III Marine Expeditionary Force (MEF) and III MEF MSCs operations, including Western Pacific AOR
R0044437	Mission Readiness Training Technician	Oklahoma City, OK	TS/SCI; 2+ years of experience with scenario-driven ground facilitation supporting airborne training. Experience with military or civilian law enforcement hands-on radio
R0041227	Software Developer/Programmer, Mid	Joint Base Andrews, MD	TS/SCI; BA or BS degree in CS or System Engineering; Experience with Linux and Windows kernal development. Experience with Python and C programming. Experience with Memory Layout of C programs, including C debugger and C register allocations
R0043897	Data Analyst, Senior	Tampa, FL	TS/SCI; HS diploma or GED and 10+ years of experience in data analytics, data science, or data visualization, BA or BS degree and 6+ years of experience in data analytics, data science, or data visualization, or MA or MS degree and 4+ years of experience in data analytics, data science, or data visualization
R0043902	Data Analyst, Senior	St. Louis, MO	TS/SCI; HS diploma or GED and 10+ years of experience in data analytics, data science, or data visualization, BA or BS degree and 6+ years of experience in data analytics, data science, or data visualization, or MA or MS degree and 4+ years of experience in data analytics, data science, or data visualization
R0043801	Analytic Methodologist, Senior	Tampa, FL	TS/SCI; 11+ years of experience with working as an imagery, GEOINT, or all-source analyst, maximizing existing and emerging technology. Experience in the intelligence community, leading an integrated team of professionals to address key intelligence questions by introducing documented analytic methodologies
R0044049	Intelligence Tradecraft Instructor	Washington, DC	TS/SCI w/poly; B.A./BS; 10+ years of experience as an all-source defense intelligence analyst. Experience as a senior defense intelligence all-source analyst at a national agency required. Knowledge of national and military intelligence organizations, including COCOMs

R0044239	Training Coordinator	Washington, DC	TS/SCI; AA/AS; 3+ years of experience with business analytics, records management, or administrative support to an intelligence community (IC) software, IT, or analysis program. 3+ years of experience in an all-source environment
R0044045	Intelligence System SME Instructor	Washington, DC	TS/SCI w/poly; B.A./BS; 10+ years of experience as an instructor. Experience in working with intelligence systems to develop and deliver classroom and e-learning training on intelligence systems. Experience with two or more of the following systems: DoD data analysis tools, Geotagged Open Source Search Intelligence Program Data (GOSSIP), Palantir, Analyst Notebook, and Record Message Traffic (RMT)
R0038874	Systems Engineer	Aberdeen Proving Ground, MD	TS/SCI; B.A./BS; 8+ years of experience as a systems engineer; Knowledge of Army tactical networks, computer systems and large-scale, complex data flow architectures
R0035274	Internal Review Audit Analyst	Fort Bragg, NC	Secret; BA or BS degree or 3+ years of experience with financial management in lieu of a Bachelor's degree. 3+ years of experience with federal financial management. 3+ years of experience with the General Fund Enterprise Business System (GFEBS).
R0041769	Program Analyst	McLean, VA	5+ years of experience in a fast-paced business environment, including maintaining responsibility for analyzing processes and issues and writing reports. Experience with managing programs and projects successfully. Ability to analyze, interpret, and act upon data collected for the Operations or Talent Acquisition team
R0037774	Software Engineer	Aberdeen, MD	TS; B.A./BS; 5+ years of experience with C# and C++ programming. Experience with BitBucket, Jenkins, Nexus, or similar tools
R0039788	Systems Administrator	Aberdeen, MD	TS/SCI; BA or BS degree in IT, CS, or SW Engineering or 3 years of experience with systems administration. Security+ Certification. Experience with supporting programs as a system administrator. Experience with developing installation documentation. Experience with operating systems, including Windows, Red Hat, Linux, and VMware

R0040186	Operations/Mission Analyst	Washington, DC	TS; BS; 5+ years of experience with working in military plans or operations environments at the Service or Joint level. Experience with program management. Experience with mission assurance concepts and processes. Knowledge of US Air Force operations and missions
R0041818	Software Developer/Programmer, Mid	Joint Base Andrews, MD	TS/SCI; BA or BS degree in CS or System Engineering; Experience with Linux and Windows kernel development. Experience with Python and C programming. Experience with the Memory Layout of C programs, including C debugger and C register allocations
R0040532	Penetration Tester/Defense Assessment Analyst	Sierra Vista, AZ	TS/SCI; DoD 8570 IAT Level II and CSSP Auditor Certifications. Certified Wireless Network Administrator; Experience with performing penetration testing and risk assessments. Experience with penetration testing tools, including Kali Linux, Burp, Nmap, Wireshark, Nessus, Metasploit, Core Impact, and Cobalt Strike
R0042766	Acquisition/Contracts Specialist, Mid	San Diego, CA	Secret; B.A./BS; 3+ years of experience with cradle-to-grave contract management, including procurement planning, pre-award, price and cost analyses, and post-award contract administration and closeout. Knowledge of FAR, DFARS, and DoD 5000 series regulations and laws, executive orders, statutes, policies, principles of acquisition planning.
R0040910	Anti-Submarine Warfare Program Analyst, Mid	San Diego, CA	Secret; 3+ years of experience with undersea surveillance systems. Ability to travel within CONUS for meetings and conduct OCONUS travel
R0043047	General Management Consultant	San Diego, CA	Secret; B.A./BS; 3+ years of experience with the DoD. Knowledge of the Navy
R0043622	Multi-INT Practitioner, Senior	Aurora, CO	TS/SCI w/poly; 7+ years of experience in the IC. Knowledge of the capabilities and operational employment of one or more intelligence fields, including all-source, HUMINT, MASINT, SIGINT, OSINT, or GEOINT
R0042336	Case Management Business Analyst, Senior	Washington, DC	B.A./BS; Experience with industry standard software development best practices for Agile and iterative SDLCs, testing methodologies, version control systems, implementation, deployment activities, and quality assurance

R0042567	Data Scientist, Lead	Washington, DC	Secret; M.A./MS; Experience in working with Python and SQL. Knowledge of analytical modeling. Ability to work with machine learning (ML) teams on proper methods of applying spatial data to machine learning. Ability to lead expansion of new Artificial Intelligence (AI) and ML capabilities, including projects around computer vision and Natural Language Processing (NLP)
R0040321	Naval Aviation Analyst, Senior	Patuxent River, MD or DC	Secret; B.A./BS; 8+ years of experience with performing data analytics requirements in complex and technically demanding project or task environments. 3+ years of experience with aviation analytics
R0040997	Information Technology Sustainment Planner	Warner Robins, GA	Secret; BS Eng, Math or CS and 5+ years of experience with AF–DCGS operations, planning, policy, acquisition, and sustainment or 10+ years of experience with AF–DCGS operations, planning, policy, acquisition, and sustainment in lieu of a bachelor's degree
R0041216	Systems Engineer	Augusta, GA	TS/SCI; 5+ years of experience with large system-of-system (SoS) integration. 5+ years of experience with Microsoft Windows Server 2008 and 2012. 3+ years of experience with deploying or establishing a functional VMware environment, including deployment of ESXi hosts and vCenter server
R0039881	Financial Analyst, Mid	Fort Knox, KY	Secret; B.A./BS or 3+ years of experience with financial management in lieu of a Bachelor's degree; 3+ years of experience with federal financial management. 3+ years of experience with the General Fund Enterprise Business System (GFEBS)
R0043472	General and Systems Engineer	Warren, MI	BSEng; 2+ years of experience in supporting DoD clients. Experience with geometric dimensioning and tolerancing methods and applications. Knowledge of DoD systems engineering processes
R0042708	Survivability Analyst	Offutt Air Force Base, NE	TS/SCI; BSEE or Physics; 3+ years of experience with assessing electrical system design and comprehending the impact of electromagnetic fields on electrical power systems and components. 3+ years of experience with electromagnetic wave propagation theory, electronic system design, fault isolation, installation, and electromagnetic RF testing

R0042106	Financial Analyst	Fort Bragg, NC	Secret; B.A./BS; 3+ years of experience with government financial systems, General Funds Enterprise Business System (GFEBS), or Regional-Level Application Status (RLAS). Knowledge of federal financial management, FIAR, and other audit readiness, governance, and policies
R0042199	Interface Control Officer/Instructor	Fort Bragg, NC	Secret; 5+ years of experience with Service, Joint, or combined data link interoperability operations, exercises, and training as an instructor or supervisor. Experience as a formal instructor in a service school or training command. Experience with tactical data link management tools, including Joint Range Extension (JRE), Joint Air Defense System Integrator (JADSI), Link Monitoring System–Multi TDL (LMS– MT), Amalgamated Remote Management System (ARMS), Battlefield Operations Support System (BOSS), Terminal Operating Environment Simulator (TOES), or Scalable Portable Integrated Data Router (SPIDR)
R0038154	Positioning, Navigation, and Timing Engineer	Beavercreek, OH	Secret; B.A./BS; 10+ years of experience with PNT, GPS, or electronic communication systems
R0043433	Military Concept Analyst	Norfolk, VA	TS; B.A./BS; 10+ years of experience with military operations. Experience with concept or doctrine development, assessment, or implementation
R0038442	Biomedical/Healthcare Technical Engineer	Spokane, WA	B.A./BS IT, CS or Eng; 5+ years of experience with network security. Experience with Electronic Health Records (EHR) implementation and how it relates to network and information security
R0038191	Data Scientist	McLean, VA	Secret; Experience with using R or Python to analyze data. Experience with an object-oriented programming language, including C++, Java, or Scala. Experience with designing novel analytic methods and workflows and merging disparate data sources for varying data structures of content
R0029273	Data Scientist, Senior	Chantilly, VA	TS/SCI; M.A./MS; 3+ years of experience as a data scientist. Experience with building statistical models and developing machine learning algorithms. Experience with managing data scientist team. Experience with programming languages, including Python, R, Scala, or Java. Experience with Big Data technologies, including HDFS, Hadoop, or Spark

R0043893	Data Analyst, Senior	Tampa, FL	TS/SCI; HS diploma or GED and 10+ years of experience in data analytics, data science, or data visualization, BA or BS degree and 6+ years of experience in data analytics, data science, or data visualization, or MA or MS degree and 4+ years of experience in data analytics, data science, or data visualization
R0043801	Analytic Methodologist, Senior	Tampa, FL	TS/SCI; Advanced training in Geography, Remote Sensing, Earth or Physical Science, Data Science, or Engineering or Mathematics. 11+ years of experience with working as an imagery, GEOINT, or all-source analyst, maximizing existing and emerging technology
R0041866	Defense System Acquisition Analyst, Mid	San Diego, CA	Secret; 2+ years of experience with defense acquisition systems. Experience with creating defense acquisition documents, including acquisition strategies and acquisition program baselines. Knowledge of DoD 5000.02 or SECNAVINST 5000.2E policies and documents
R0041946	Integrated Master Scheduler, Senior	San Diego, CA	5+ years of experience with Critical Path Management (CPM) scheduling and planning. 5+ years of experience with managing enterprise or integrated schedules. Experience with performing Schedule Risk Assessments (SRAs)
R0041949	Integrated Master Scheduler, Mid	San Diego, CA	2+ years of experience with project or program management support
R0030157	Wargaming Analyst, Senior	Norfolk, VA	Experience as a US naval officer at the 06 or captain level, including successful command afloat. Experience as a senior warfare officer, including expertise in Navy fleet and carrier strike group operations, Experience as a director of a Maritime Operations Center (MOC), current operations, or chief of staff on a Navy component staff or numbered fleet staff
R0041891	Fires Observer Trainer/Integrator, Mid	Fort Bragg, NC	Secret; JFO Certification, JFO Form 8, or Currency Log forms or AF Form 8, AF Form 3827, or Terminal Attack Control Evaluation forms required. 3+ years of experience as a JFO to provide training or as a Joint Terminal Attack Controller (JTAC) to provide training. Ability to show an acquired military rank of E6 or above

R0042981	Network Engineer, Senior	Aberdeen Proving Ground, MD	Secret; B.A./BS Eng or CS and 8+ years of experience with supporting DoD programs as a network engineer. Experience with Shell scripting and database query language, including SQL. Knowledge of programming languages, including C and C+
R0039713	Network Engineer, Senior	Aberdeen, MD	TS/SCI; DoD Information Assurance Workforce Certifications. 8+ years of experience with network engineering in a professional work environment. Experience with IAVA and software or firmware patches and upgrades
R0042978	Computer Coding Engineer, Mid	Nellis Air Force Base, NV	Secret; Experience with VNX series block-based storage SAN solutions, horizon view administrator, or EMC VNX unified storage systems
R0037930	HBSS Engineer, Senior	San Diego, CA	Secret; 5+ years of experience with network or systems engineering or system administration. 5+ years of experience with HBSS. Experience with HBSS ePO server administration and maintenance. Experience with standard HBSS modules, including McAfee Agent (MA), Host Intrusion Prevention System (HIPS), Data Loss Prevention (DLP), Policy Auditor (PA), VirusScan Enterprise (VSE), Rogue System Detection (RSD), Asset Baseline Monitor (ABM), and Asset Configuration Compliance Module (ACCM)
R0038734	Application Security and Development Compliance Reviewer	Chambersburg, PA and FT Meade, MD	TS/SCI; BS CS, MgtSys, or a related technical field. 8570 IAT III Certification required. CCRI Certification, including applicable walk through training courses, onsite shadowing, and check-ride of CCRI Certification for Network Vulnerability Assessments and Security Scanning
R0031728	Integrated Air and Missile Defense Research Analyst	Stuttgart, Germany	TS/SCI; B.A./BS; 7+ years of experience with integrated air and missile defense (IAMD) plans and operations at the strategic, theater, or tactical level. 5+ years of experience with IAMD in upper-tier or lower-tier air and missile defense systems and IAMD or Ballistic Missile Defense (BMD) command and control, communications, computers, and intelligence (C4I) systems. Experience with Joint or Combined operational planning with the Joint Staff, a US Combatant Command, NATO, or US Combatant Command component staff

R0035267	GEOINT Throughput Analyst	Springfield, VA	TS/SCI; Experience with GEOINT collection requirements, operations, or tasking, collection, processing, exploitation and dissemination (TCPED) processes as a source throughput analyst (STA), source strategies analyst (SSA), or collection manager. Experience with GEOINT Information Management Services (GIMS), FishTools, and PRISM. Knowledge of NGA enterprise services dissemination processes and supporting architectures
R0038797	Technical Architect	Stuttgart, Germany	TS/SCI; B.A./BS; Completion of The Open Group Architecture Framework (TOGAF 9) or DoD Architecture Framework (DoDAF) 2.02 training. 6+ years of experience in supporting Common Configuration Implementation Program (CCIP) development and operations
R0033273	Target Development Analyst	Cambridge, UK	TS/SCI; B.A./BS; Graduate from the Joint Targeting School with completion in Staff, Applications, Collateral Damage Estimation, and Battle Damage Assessment courses. 2+ years of experience with fusion reporting in a professional or academic environment. Experience with identifying, characterizing, and evaluating new targets. Experience with Joint Targeting Cycle principles
R0023943	Intelligence Subject Matter Expert, Senior	Hampton, VA	TS/SCI; M.A./MS; 15+ years of experience in an AF intelligence role. Experience with unit level, AF, or MAJCOM level organizations. Experience with planning, overseeing the execution of, and evaluating intelligence programs
R0022590	Front End Developer, Senior	Reston, VA	TS/SCI; 5+ years of experience with the modern Web technology stack, 4+ years of experience with Web application development using AngularJS or other JavaScript frameworks, including React. Experience with JavaScript, HTML, or CSS
R0037778	Front End Web Developer, Mid	Reston, VA	TS/SCI; B.A./BS; Experience with building full-stack Web applications. Knowledge of Java libraries, HTML and CSS, mySQL, database design, JavaScript, DOM Manipulation, or Spring Tools. Experience with using Agile software development methods in a DevOps environment

R0041882	Weapons Analyst	Virginia Beach, VA	B.A./BS; 6+ years of experience in the Navy relating to ship, submarine, or aircraft operations and warfare tasks, including exercise weapons firings. 3+ years of experience with planning exercise activities on Navy training ranges. 3+ years of experience with analyzing the results of ASW weapons firings
R0040741	Airfield Management and Operations Assessor	Tampa, FL	Secret; B.A./BS and 8+ years of experience with airfield operations and management. Experience in coordinating with aircrews, air traffic control, and various agencies that provide for safe operation of aircraft in the airfield environment and through national and international airspace. Experience with conducting airfield inspections and checks, including runways, taxiways, aprons, pavements, arresting systems, signs, lights, and airfield clearance areas
R0041709	Data Analyst and Logistician, Senior	Warner Robins, GA	Secret; B.A./BS; Logistics Management, Mathematics, Information Management, or Statistics or 20+ years of experience with the military in aircraft maintenance or logistics management. Lean Six Sigma Green Belt or Lean Six Sigma Black Belt. Ability to collect data related to nuclear support equipment and US military aircraft, including KC-46, B-52, C-5, C-17, C-130, F-15, and Joint STARS
R0034047	Cybersecurity Tester, Mid	Rome, NY	Secret; DoD 8570 IAT Level II Certification. 3+ years of experience in the Cybersecurity field. Experience with analyzing and executing test plans and procedures. Experience with developing or analyzing technical documentation. Knowledge of vulnerability assessment tools, including Kali Linux, Wireshark, and Tripwire
R0039655	Staff Intelligence Planner	Honolulu, HI	TS/SCI; B.A./BS; 10+ years of experience in intelligence at the Joint, MACOM and ASCC, or Corps or Theater MI Brigade staff level. Knowledge of Joint, Corps, and MI Brigade (Theater) ISR assets, capabilities, and their tasking and employment. Knowledge of Joint Event Life Cycle (JELC) processes and command post exercises (CPX) scenario design

R0038192	Data Scientist	McLean, VA	B.A./BS; Experience as an R and Python developer. Experience with designing novel analytic methods and workflows and merging disparate data sources for varying data structures of content. Experience with feature generation and feature augmentation, including pulling data from unstructured formats. Experience in working with Big Data storage and processing techniques, including HDFS, Hive, Accumulo and Hadoop, or Spark
R0039327	Naval Projects and Plans Business Analyst	Pensacola, FL	Secret; 4+ years of experience with project management. Experience with Microsoft Office, including Word, Excel, PowerPoint, and Visio. Experience with IT process analysis or process improvement
R0031700	Weapons Systems Engineer, Mid	Hanscom Air Force Base, MA	Secret; BS CS, Eng, or Math. Experience with system engineering. Knowledge of weapon system platforms. Ability to deliver solutions that benefit the warfighter
R0038734	Application Security and Development Compliance Reviewer	Chambersburg, PA & FT Meade, MD	TS; 8570 IAT II Certification; 2+ years of experience with various applications in DoD Information Systems (IS). Experience with DoD STIGs and assessment tools. Ability to consolidate, create, and brief findings based on analysis. Ability to travel up to 85% of the time
R0030783	Acquisition Program Analyst	Arlington, VA	Secret; B.A./BS; 4+ years of experience with planning and executing complex, multi-faceted projects. 2+ years of experience with a DoD Acquisition Program
R0033995	Cybersecurity Engineer, Mid	Rome, NY	Secret; DoD 8570 IAT Level II Certification. 5+ years of experience with providing information assurance, engineering, or operational support to the DoD, including supporting information operations, Cyber operations, system administration, and systems security. Experience with a DoD certification and accreditation (C&A) program, including developing or analyzing security test and evaluation reports

R0037423	Integrated Air and Missile Defense Research Analyst, Senior	Stuttgart, Germany	TS/SCI; B.A./BS; 7+ years of experience with integrated air and missile defense (IAMD) plans and operations at the strategic, theater, or tactical level. 5+ years of experience with IAMD in upper-tier or lower-tier air and missile defense systems and IAMD or Ballistic Missile Defense (BMD) command and control, communications, computers, and intelligence (C4I) systems. Experience with Joint or Combined operational planning with the Joint Staff, a U.S Combatant Command, NATO, or U.S Combatant Command component staff
R0036993	Defense System Acquisition Analyst, Senior	San Diego, CA	Secret; B.A./BS; 7+ years of experience with DoD acquisition programs within a program office or other acquisition staff office. 5+ years of experience with supporting ACAT I-IV programs. 2+ years of experience with supporting submarine communications, shore or afloat C4I programs, or military terminal or networking programs within the last 5 years
R0035531	Maintenance Management Analyst, Mid	Okinawa, Japan	Secret; AA/AS or 10+ years of experience with DoD logistics or maintenance. 8 years of experience in a management or supervisory role with maintenance management. 2+ years of experience with conducting maintenance management compliance inspections and analysis on subordinate units. Experience in GCSS-Marine Corps and other systems required to execute maintenance or logistics transactions at the organic and intermediate maintenance level
R0028060	Cyber Incident Handler	Sierra Vista, AZ	TS; Security+ CE and CEH Certifications; 3+ years of experience with network security. Experience with event escalation and reporting procedures and supporting network investigations. Knowledge of TCP/IP communications and how common protocols and applications work at the network level
R0028755	Data Scientist	Washington, DC	Secret; BS Science, Technology, Engineering, or Mathematics; Ability to learn to extract information from disparate data sources and merge them together for statistical analysis. Ability to learn Python, Java, R, and similar computer languages

R0028605	Data Scientist	Arlington, VA	Secret; B.A./BS; 3+ years of experience as a data scientist and managing a data scientist team. Experience with building statistical models and developing machine learning algorithms. Experience with data visualization and programming languages, including Python, R, Scala, or Java. Experience with big data technologies, including HDFS, Hadoop, and Spark
R0021213	Unified Communications and Collaboration Analyst	McLean, VA or Ft Meade, MD	Secret; B.A./BS; 4+ years of experience with IP networking, routing, and switching. 2+ years of experience with Cisco, Avaya, or BroadSoft. 1+ years of experience with O365 or Skype for Business
R0024678	Physical Therapist	Colorado Springs, CO	MA or MS degree in Physical Therapy. Certification through the American Board of Physical Therapy Specialties (ABPTS) as an OCS or SCS or a certification through the National Athletic Trainers Association (NATA) as a certified athletic trainer (ATC). Certified Strength and Conditioning Specialist Certification through the National Strength and Conditioning Association
R0023080	Graphics Designer, Mid	McLean, VA	TS/SCI FS Poly; B.A./BS in graphic design or a related field. 5+ years of experience with graphic design or visual communications. Experience with formatting data into concise and visually appealing layouts. Experience dealing with clients when preparing infographics and data visualization products. Experience with Adobe Creative Suite (Illustrator, InDesign, and AfterEffects) and Microsoft Office (PPT)
R0019359	Network Engineer	Lexington Park, MD	Secret; BA/BS CS or IT or 5+ additional years of experience with networking in lieu of a degree. Security+ or Cisco CCNA Certification. 3+ years of experience with IP networking design and architecture. 3+ years of experience with virtual server environments
