YOU ARE ACCESSING A U.S. GOVERNMENT (USG) INFORMATION SYSTEM (IS) THAT IS PROVIDED FOR USG-AUTHORIZED USE ONLY. By using this IS (which includes any device attached to this IS), you consent to the following conditions:

The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations.

At any time, the USG may inspect and seize data stored on this IS.

Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG-authorized purpose.

This IS includes security measures (e.g., authentication and access controls) to protect USG interests—not for your personal benefit or privacy.

Notwithstanding the above, using this IS does not constitute consent to PM, LE or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communications and work products are private and confidential. See User Agreement for details.

Use of this system constitutes consent to monitoring for all lawful purposes.

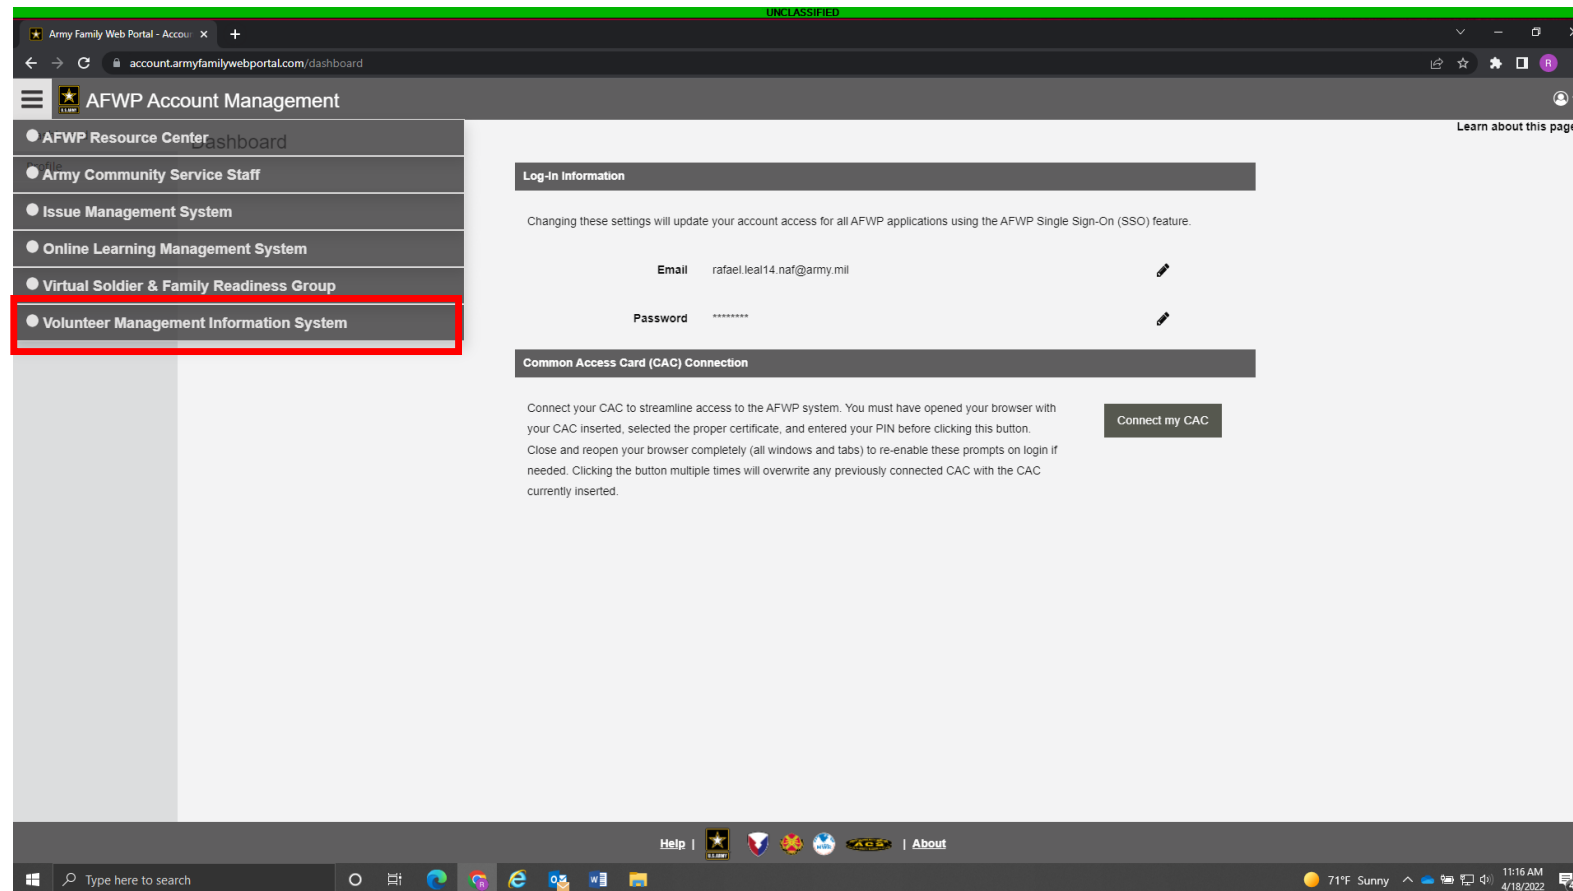

By clicking the Login button, you agree to comply with the Terms of Use agreement.

ATTENTION: If you need to connect your Common Access Card (CAC), first ensure it is inserted before opening your browser. Then, when logging in, select the relevant certificate and enter your PIN. On the SSO page, enter your email and password (because your CAC is not yet connected). Finally, on the Account Management Dashboard page click Connect my CAC.

ATTENTION: When you are finished using all of your AFWP authenticated applications, please log out of this system and exit your browser to ensure you do not leave any of your applications open to other users of this machine.
