2019 OPERATION PURPLE CAMP

<https://www.militaryfamily.org/programs/operation-purple/operation-purple-camp/rye-co/>

YMCA Camp Jackson is located on 320 acres in the San Isabel National Forest of beautiful and diverse terrain that include rock outcroppings, mountain meadows and waterfalls. We are an all-inclusive camp that has welcomed campers from Colorado and beyond since 1916. We provide campers the opportunity to learn independence and build resilience in a safe and fun environment. We encourage persistence, creativity and community in every activity and enable campers to approach their world more confidently.

The highlight of the week is Wednesday night "Packout". Every cabin packs up their gear and heads out into the woods where they will spend one night cooking over a campfire and sleeping under the stars. Learning new skills is one way that campers at YMCA Camp Jackson will grow in confidence and character. You choose a Skills Block from Survival Skills, Horsemanship, Marksmanship or Mountain Sports. Camp is a place where creativity is a way of life and where a camper can fit in. To learn more about themselves, we encourage campers to explore and play. You choose a Creative Block from The Arts, Group Games, Science & Ecology or Pioneers.

Teen campers have a separate track that they participate in teen-only activities like high ropes course, rafting and teen village campfires.

IGOVERN WEST

<https://hsldaaction.org/GenJ/programs/igovern-leadership-camps/igovern-west>

Generation Joshua's iGovern West camp is unlike any other camp you'll hear about this summer. For a whole week, students step into a simulation and take on the roles of United States legislators and officials to learn about government structure, political parties, presidential elections, international relations, and leadership in real time. The fast-paced world of politics is brought to life before their eyes. They can spend the week as a member of the House or Senate, a journalist, a member of the executive branch, or even a presidential candidate in our election! They will be responsible to govern the nation wisely with other GenJ campers, make decisions, and live with the rewards—or consequences. It is not all work, though. There is rock climbing, rappelling, hiking, volleyball, Bear Trap's rescue course, and more!

CAMP DATES | HOURS | COST:

The dates for iGovern West 2019 are July 28—August 3. The regular cost for camp is \$745, but we are offering an exclusive \$100 discount to readers of Colorado Springs Moms Blog!
