

## Volunteers Needed

### **The Colorado Springs Western Street Breakfast 19 June 2019**

#### Organization:

The Colorado Springs Western Street Breakfast is one of Colorado Springs' most iconic celebrations of its deep-rooted western heritage. The Street Breakfast has also become an annual fundraising event that supports our local military and their families. The next event takes place on Wednesday, **June 19, 2019 – 5:30 to 9 a.m. – Downtown Colorado Springs at the intersection of Pikes Peak Avenue & Tejon Street.** Mark your calendar and set your alarm for early morning so you can join us for this fun, festive and family-friendly event. We close down the streets, bring out the hay bales and cook up a tasty, hot breakfast for you to devour while you listen to the renowned Flying W Wranglers as well as the country/rock band Exit West and the talented students from the Colorado Springs Conservatory. The Sweetwater Native American dancers will thrill and amaze with their authentic dress and dances.

#### Who:

At least 15 volunteers needed for each shift. Please wear closed toe shoes and comfortable clothes. Heavy lifting is required during the set up and clean up shifts.

#### What:

Volunteers are needed to help set up the event by moving hay bales and barriers, tables, chairs, and signage. We also need volunteers for the execution portion of the breakfast, for cashiers and suppliers. For clean up, we will be removing hay bales and barriers and remaining equipment.

Where: The intersection of Pikes Peak Avenue and Tejon Street, and the adjoining blocks in all directions.

When: June 19<sup>th</sup>, 2019. Shifts as follows:  
Set Up: 12:30am – 4:30am  
Execution: 5:00am – 9:00am  
Clean Up: 9:00am – Until Complete

Why: The Colorado Springs Western Street Breakfast is a celebration of our western heritage and the kick off of the annual rodeo season. It is an event that shows the community's appreciation of our military members and their families, as all the proceeds go directly to military support organizations.
