The 2022 Veteran Employment Transition (VET) Program

Presented by Wells Fargo

What is VET?

The VET program is a **nationwide, competitively paid 8-12 week spring internship that converts directly to a full-time opportunity** based on performance. As an intern in this program you will develop an understanding of the day-to-day responsibilities of a full-time Wells Fargo team member, gain professional experience, build relationships by networking, and learn through on-the-job experience and participation in special training opportunities.

Am I a Good Fit?

We're hiring a class of **40-55 interns** to begin in **April 2022**, starting with an intensive training and orientation led by professional instructors and senior Wells Fargo team members. Through this one-of-a-kind internship, you will develop your skills and knowledge of our financial products and services before joining a group of experienced Wells Fargo team members for on-the-job training and development.

If you are a problem-solver who enjoys a fast-paced environment, working hard to achieve a goal, learning new things, and improving yourself, this program is a good fit for you. In addition, successful candidates are team-players who work well in a collaborative environment and have strong situational analysis skills.

All ranks are encouraged to apply as we are hiring at multiple levels. Program applicants must be off of ACTIVE DUTY by April 4, 2022 (no exceptions except: terminal leave and/or traditional Guard or Reserve status, these are eligible).

This opportunity is not DoD SkillBridge eligible.
