CACI Values Veterans

CACI provides the **expertise** and **technology** to solve our National Security customers' toughest challenges. And in doing so, many of our career opportunities align well with veterans' and transitioning service members' military occupational specialties.

At CACI you can *Continue Your Mission* in national security on a team that greatly values your leadership, work ethic, teamwork, self-discipline, integrity, and commitment to mission accomplishment.

Approximately 38% of CACI's work force consists of veterans, military spouses, and current members of the National Guard or Reserves, and we are proud to provide them rewarding careers in **Cyber Security, Engineering, Information Technology, Intelligence, Project Management,** and many more. This flyer lists jobs in these 5 categories; all are on contract and jobs that we are **hiring for now**.

To apply to any of the jobs listed below, go to this link <u>https://careers.caci.com/global/en</u> and type in that job's associated 6digit Job Requisition Number in the search box under the "**Invent Your Future**" heading. This will take you to the respective career opportunity where you can apply using the "**Apply Now**" button.

FIRST COMMAND IS HIRING

4 out of 5 of our Advisors are veterans or military spouses

First Command Financial Services is committed to helping military families get their financial lives squared away. As we continue to expand our advisor force, we are seeking leaders who have internal drive, entrepreneurial mindsets and a desire for professional growth.

What our Advisors do:

- Directly engage with the military community by partnering with local military organizations, military units, and other affiliates that support the military community
- Coach military families on how to build a holistic financial plan including aspects of:
 - Savings
 - Investments
 - Insurance

What we offer:

- A specialized onboarding and training program designed for veterans, transitioning service members and military spouses to build and grow a successful financial planning practice
- Tools and support to guide you through the licensing process
- Opportunities for professional development
- The ability to be in control of your career trajectory and to be compensated based on your work and the results you achieve
- Portable career opportunities throughout the United States and overseas

Desired Qualifications:

- Military experience or association
- Bachelor's degree
- Proven leadership skills

First Command Financial Services has been helping military families pursue their goals and dreams through coaching and guidance since 1958. To learn more about our mission and vision, visit **www.firstcommand.com**.

About the Organization

Now is a great time to join Redhorse Corporation. Redhorse specializes in developing and implementing creative strategies and solutions with private, state, and federal customers in the areas of cultural and environmental resources services, climate and energy change, information technology, and intelligence services. We are hiring creative, motivated, and talented people with a passion for doing what's right, what's smart, and what works.

Purchasing Agent - Remote

Redhorse Corporation has an opening for a Purchasing Agent to support our government client on a contract with GSA Region 4. The ideal candidate will serve customer needs through professional placement of Government Orders against established contracts (i.e. purchase orders and/or calls against BPAs or other FSS schedules, Public Building Service regional/national IDIQs, or other Government sources of supply), including a full range of Pre-award and Postaward functions (e.g. price/cost analysis, administration and termination of contracts) for the Public Building Services organization.

The ideal candidate will procure a wide range of supplies and services, including construction, utilizing a variety or purchasing procedures. All Procurement Actions involve contracts at or below the Simplified Acquisition Threshold (SAT). All work is governed by the FAR and supplemented by additional regulations, legal precedents and agency policy and procedures.

Responsibilities for the Purchasing Agent include but are not limited to:

- Knowledge of solicitation or purchasing methods such as oral solicitations, calls against BPAs, delivery orders or priced purchase orders to make noncompetitive open market purchases, purchases under established contracts or competitive open market purchases when specifications or statements of work are standardized, price and product characteristics are stable, or repeat vendors.
- Knowledge of frequently used and easily understood regulations such as those related to required sources, use of mandatory schedules or ordering and documentation procedures for routine purchases to ensure regulatory compliance throughout the purchasing process.
- Knowledge of basic arithmetic used in business to make comparisons of price.
- Knowledge of post award procedures sufficient to resolve typical problems with deliverables.
- Knowledge of current software and media applications to facilitate the efficient exchange of information via email, spreadsheets, Webex, Federal Procurement Data System Next Generation (FPDS-NG), Electronic Contract File Viewer (ECF), Federal Business Opportunities (FBO), E-buy, Electronic Subcontracting Reporting System (eSRS) Procurement Processing System (EASi).

Minimum Basic Requirements for Skills, Experience, Education and Credentials:

- BA or BS Degree with a major in any field; or a minimum of 24 semester hours in any combination of the following fields: accounting business, finance, law, contracts, purchasing, economics, industrial management, marketing, quantitative methods, or organization and management
- 2 years of experience in contract purchasing or similar position
- Proficient in Microsoft Office suite of products including Excel, PowerPoint, Word, and Outlook
- Strong oral/written communication skills.
- Proven organization and project management skills.
- Critical thinking and decision-making skills coupled with strong analysis and problemsolving skills
- Self-starter, driven and able to work with limited direction under target time lines
- Collaborative personality enjoys and able to work effectively in a team-oriented environment
- Adaptability and comfort working in a fast-paced and sometimes unstructured environment

The work environment for this position requires an individual to be able to:

- Work sitting or standing at a desk or conference table for extended periods of time (1-3 hours), with the ability to shift positions while working: sit, stand, pace, adjust positioning in any of those without issue
- May be required to lift and/or move up to 10 pounds
- Specific vision abilities required by the job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus
- Redhorse Corporation shall, in its discretion, modify or adjust the position to meet Redhorse's changing needs.

Salary range for the role is: \$50,000.00 - \$60,000.00

This job description is not a contract and may be adjusted as deemed appropriate in Redhorse's sole discretion.
