

Volunteer Opportunity!

Love Space? Work in the Space sector? Come join us!

Come volunteer at the premier space event

The 36th Space Symposium

Dates: Monday, March 30 - Thursday, April 2nd.

You can do one shift, or two shifts, however many you would like. Shifts are generally 4- 5 hours in length. We have morning shifts, mid-day and a couple of evening shifts. Groups can also volunteer together, - up to 10 in the group for one shift.

ENTRY CONTROL SUPPORT is the area we need the most support in. This volunteer area helps to check badges and tickets of people going into the exhibit halls and meal events, and other programs as well.

If interested, reach out to Jennifer Walters, Volunteer Program Manager, at the Space Foundation.

Jennifer will be happy to send you the link to register and give you more details.

Jwalters@spacefoundation.org or 719.576.8000

If you'd like to go ahead and sign up – visit the 36th Space Symposium website and you can click on the volunteer link under ABOUT – Volunteer Opportunities.

www.spacesymposium.org

Benefits: Visit the Exhibit halls – sponsored by Lockheed Martin. We have upwards of 295 exhibitors this year. You can also attend a speaker panel or session of your choosing (classified sessions excluded here).

A volunteer gift as our thanks is given out! And we offer breakfast, lunch and dinner for our volunteers working over those meal times. The symposium is held at The Broadmoor hotel. It is one not too be missed!

Come check it out by volunteering!
