Weekly themes, dress-up days, field trips and even more activities that help kids grow and learn.

Activities focus on healthy eating and physical activity, community connections, S.T.E.A.M. (science, technology, engineering, arts, math), character development, games and challenges.

Animation Domination

Campers, it's visual story time! Let's put your imagination in motion with the help of new-tech, high-tech and classic techniques. We'll make flip books, comic strips and curling paper animations with STEM activities that include shadow puppetry, skit creating, jumping-kid animation sticks and bendy-bead people.

Time Machine

Take a trip back in time as we explore the best of the '50s, '60s, '70s, '80s and '90s! Each day, we'll travel through a new decade and discover the unique trends, cultural events and historic moments that shaped each one. Era-appropriate costumes are encouraged to represent the best of each decade.

Dinosaur Dynamics

Dinosaurs may be extinct, but they'll come alive at Life Time Summer Camp this year. We'll dive deep into different species, learn about fossils, and go out on a dinosaur hunt to search for that ever-cool T-rex. Get your inner paleontologist ready and come learn about this fascinating world.

Fortress Nights

Calling all ye brave crusaders! Come ready to storm the fortress and protect thy castle with homemade swords, shields and torches, then learn about your family crest, and be prepared to joust on your galloping horses.

Pajama Party

Comfy, cozy, soft and fluffy — it's PJ day all day at Life Time! Wake your sleepy eyes and we'll make dream catchers and sleep masks, play an ultimate game of pillow fight, or take a nap. Pajama fun is whatever you can dream up.

Larger Than Life

Ever wondered who the tallest person in the world is? Or the biggest building? How about the highest roller coaster? You'll find the answer to all these questions and more as we research what it means to be larger than life. Then, we'll create mini figurines of everyday essentials to make YOU feel larger than life.

Glitter & Slime

Glitter AND slime? It's the unicorn equivalent of fun! Kids will make their own glitter confetti, glitter bombs and — of course — glitter slime. And while glitter at home is a sparkly headache for parents, glitter at Life Time stays at Life Time. Get ready for a sparkly, slimy-good time!

Emoji Week

We want to make happy campers at Life Time, so we've made a whole week of emojis. We are so excited for all the fun this week has to offer. Whether we're making emoji squish balls, painting our favorite emoji or building a team emoji banner, we're certain there won't be any sad faces at Life Time this week!

Secret Agents & Escape Rooms

There's a mystery going on at Life Time Summer Camp, and we need our top detectives to help us solve it. Don't worry, we'll equip you with fingerprint analysis, ways to deactivate a bomb and the clues needed to escape, but do you have what it takes to unravel the mystery?

Space Travelers

3...2...1...BLASTOFF! Ever wondered how an astronaut eats and drinks in space? What about why the moon appears in different phases? And let's not forget the craziness of constellations. Come prepared to float through the world of space this week as we explore the final frontier.

Wizardry vs. Science

Did you know bubbly potions use the magic of chemistry? History, legends and more have incredible relationships with science. This week, we'll make wizard wands and conjure the whiz-bang magical fun of mysteries and science.

Neon Nonsense

Hit the black lights and shine bright! From neon face painting to a Day-Glo slip n' slide, this week will stand out from the rest with bright colors, flashy activities and neon fun that will light up the dark.

LITTLE MONKEY BIZNESS

www.coloradosprings.monkeybizness.com

Monkey Island - July 13-17, 1-4pm - \$179

Imagine being stuck on an island with a group of fellow scientists. You will have to figure out how to survive by learning how to build a habitat, get food, and eventually, build a ship to get off the island. The class teaches kids about different animals, the engineering behind structures, how to build and read a map and many other great skills. Best of all, it can help prepare your young one for a classroom environment or keep your child in "school-shape". Designed for kids ages 5-8.

Jungle Tales - July 13-17, 9:00am-Noon - \$179

Jump into a world with some of your favorite story characters. Children will take a journey through different fairy tales that have been transformed with jungle characters. Each day will be focused on a new adventure! Your child will learn about STEM while solving problems from our Jungle Tales stories. They will imagine possible designs to fix the problems our characters are facing, make a plan, create structures, and then test and improve their designs. This is a great opportunity to have fun while learning STEM! This class has been designed specifically for kids ages 4-6 years old.

Mini Monkeys Play and Learn Camp - June 8-12, 9am-Noon; June 22-26, 9am-Noon, July 20-24, 9am-Noon - \$140. Kids ages 3-5 come together to play and learn in our fun facility! This class focuses on teaching young kids social skills and communication skills. Each class includes play, stories, art, and snacks. Kids will explore our themes each week through observation, art, books, imaginative play, and more!

Offered at Little Monkey Bizness 719-428-2888

MILITARY YOUTH ONLY

2020 OPERATION PURPLE CAMP

<https://www.militaryfamily.org/programs/operation-purple/operation-purple-camp/#info>

Applications for the 2020 Operation Purple Camp season open March 2.

YMCA Camp Jackson is located on 320 acres in the San Isabel National Forest of beautiful and diverse terrain that include rock outcroppings, mountain meadows and waterfalls, We are an all-inclusive camp that has welcomed campers from Colorado and beyond since 1916. We provide campers the opportunity to learn independence and build resilience in a safe and fun environment. We encourage persistence, creativity and community in every activity and enable campers to approach their world more confidently.

The highlight of the week is Wednesday night "Packout". Every cabin packs up their gear and heads out into the woods where they will spend one night cooking over a campfire and sleeping under the stars. Learning new skills is one way that campers at YMCA Camp Jackson will grow in confidence and character. You choose a Skills Block from Survival Skills, Horsemanship, Marksmanship or Mountain Sports. Camp is a place where creativity is a way of life and where a camper can fit in. To learn more about themselves, we encourage campers to explore and play. You choose a Creative Block from The Arts, Group Games, Science & Ecology or Pioneers.

Teen campers have a separate track that they participate in teen-only activities like high ropes course, rafting and teen village campfires.

When? 06/21/2020 – 06/26/2020

RELIGIOUS

EAGLE LAKE (OFF POST DAY AND OVERNIGHT CAMPS)

<https://eaglelakecamps.com/day-camps/>

Eagle Lake Day Camps infuse our contagious fun into five days full of exciting activities, adventures and games! Campers ages 7 to 12 fill their days with unforgettable experiences as they enjoy our exceptional programs alongside peers and our highly qualified staff. Day Camp On Location operates from various sites across Colorado and the surrounding states so we can bring all the crazy fun of Eagle Lake right to your own backyard! Day Camp at Glen Eyrie allows campers to enjoy our beautiful Glen Eyrie property, as well as a day at our mountain property, for up to 10 consecutive weeks.

IGOVERN WEST

<https://hsldaaction.org/GenJ/programs/igovern-leadership-camps/igovern-west>

Generation Joshua's iGovern West camp is unlike any other camp you'll hear about this summer. For a whole week, students step into a simulation and take on the roles of United States legislators and officials to learn about government structure, political parties, presidential elections, international relations, and leadership in real time. The fast-paced world of politics is brought to life before their eyes. They can spend the week as a member of the House or Senate, a journalist, a member of the executive branch, or even a presidential candidate in our election! They will be responsible to govern the nation wisely with other GenJ campers, make decisions, and live with the rewards—or consequences. It is not all work, though. There is rock climbing, rappelling, hiking, volleyball, Bear Trap's rescue course, and more!

NEW LIFE CAMP

<https://www.newlifecamp.com/summer-camp/>

New Life Camp's summer camp ministry has been thriving since it began in 1950! Whether taking part in Overnight Camp, Day Camp, or our Alternative Camp Experience (A.C.E.), it is our desire to give campers a unique and fun week that can change their lives forever. Now, we will be offering Track Out Day Camps from October through March!

It is an opportunity for kids to grow in friendships and confidence as they explore the outdoors in a variety of camp activities, get away from the distractions of technology, and be immersed in the stories and teachings of the Word of God.

As they live, eat, and play in community with others, our staff will pour into them, protect them, and love them as they teach them about the God who loves them and longs for a relationship with them.

RAINBOW TRAIL LUTHERAN CAMP

<https://www.rainbowtrail.org/summer-camps/>

Rainbow Trail Lutheran Camp invites you to join us for an outstanding opportunity to share in the love and joy of God's family. We are an outreach ministry of the congregations of the Rocky Mountain Synod, Evangelical Lutheran Church in America. We are located in the heart of the San Isabel National Forest of the Sangre de Cristo Mountains. The majestic wilderness becomes an excellent setting for growth and renewal. We encourage campers to make new friends and develop new skills while discovering their gifts and growing in their faith. You will find that Rainbow Trail is a grace-filled place where you can really grow in your faith. The strength of our ministry is that Christ is the center of all we do.

Our Bible Studies for 2020 are based on the theme "2020 Vision: Seeing Ourselves and Others as God Does." Our study centers on scripture from 1 Peter 4:10 – "Each one should use whatever gift they have

received to serve others, faithfully administering God's grace in its various forms." Often, we look at others differently because they are not the same as us, or they have gifts and skills we wished we possessed. This study will dig into helping us see other people and even ourselves as God sees us – gifted and unconditionally loved children of God. We will have a chance to explore our own gifts and how they can be used to serve the world. You will be prepared to return home to shake up the world by serving through your giftedness and appreciating what others offer as well.

Rainbow Trail is accredited by the American Camp Association. This means that we meet the highest standards of the camping industry. Our summer staff is carefully chosen and well-trained to provide excellent Christian role models for youth. Come spend a week with us this summer! We're eagerly anticipating your arrival!

ROYAL FAMILY KIDS

<https://coloradosprings.royalfamilykids.org/our-camp/>

Royal Family KIDS (RFK) is a worldwide ministry of volunteers that has been serving abused, neglected, and abandoned foster children for 30 years.

RFKC Colorado Springs takes 70-80 foster children (ages 6 to 12) to an outdoor camp each summer a week of positive memories and royal treatment in a Christian Camp environment. We work directly with the Department of Human Services to invite foster children, age 6 to 12, to an incredible, fun, legacy-changing week at summer camp.

When a kid goes to RFKC, they receive the attention and encouragement of an adult Big Camper and his or her buddy Little Camper.

With over 90 adult volunteers at camp, we keep the ratio of safe, healthy, positive adults to children very low.

Each Camper is also exposed to a variety of fun activities, designed for their success and to build self-esteem. For most of these children, it's the best week of the year – a special time when they can focus on having fun and enjoy being a kid. During the school year following camp, Campers are eligible for one-to-one mentoring and once-a-month Club through our Mentoring Clubs program. "Sometimes, real superheroes live in the hearts of small children fighting big battles." And there are superheroes amongst us here in Colorado Springs...foster children.

Did you know that 75% of the prison population is former foster kids? 80% of people on death row were in foster care at some point in their life. 50% of girls in foster care are pregnant by 19 and 50% of kids are HOMELESS within 18 months after aging out of foster care. On any given day in the United States, over 410,000 kids are in foster care. Right here in Colorado, we have 5,787 children in foster care and 1,730 in our 6- to 12-year age range. We believe in redeemed lives and turning the tide of abuse and neglect, bringing hope and a new vision for the future to these children, changing not only their present reality, but their future dreams and opportunities. Thanks for your interest and to so many of you for being passionate advocates on this journey called Royal Family KIDS!

SKY RANCH

<https://skyranch.org/pages/horn-creek-colorado>

Summer Camp features exciting activities infused with character-building strategies, counselors that are incredible Godly role models, and an intentional plan - the Sky Ranch Life Map - that takes kids from being consumers of God's word to participants in God's plan.

SPRINGS OF LIFE CHILDREN'S CENTER

<https://www.childcare.springsoflife.org/summer-camp/>

Springs of Life Children's Center is devoted to partnering with families and caring for school-age children during the summer.

We are Winners of The Colorado Springs Gazette's Best of the Springs, and Springs of Life Children's Center is celebrating over 10 years of service! Join us for summer camp as we engage your children in a variety of activities that will help them grow, learn, and play all summer long.

We offer weekly water park play, field trips to exciting and educational destinations, and plenty of outside play time. Breakfast, lunch, and snack are included with tuition and there are no extra charges for field trips and other activities. Your kids will sleep the night away!

SPECIAL NEEDS

ADAM'S CAMP

<https://adamscampcolorado.org/>

This camp located in Granby provides mountain-based therapy and adventure camps for children and young adults with disabilities and developmental delays as well as activities and guidance for their parents and siblings.

ASCENDIGO AUTISM SERVICES

https://ascendigo.org/?utm_content=Ascendigo%C2%A0Autism%20Services&utm_campaign=8%20Colorado%20Camps%20for%20Children%20with%20Special%20Needs%20%26%20Conditions&utm_source=ocn_story&utm_medium=website

Designed for kids anywhere on the Autism spectrum ages seven and up, Ascendigo provides summertime programs involving mountains, lakes, ranches, and rivers in their Roaring Fork Valley location as well as ski and snowboard lessons in Aspen during the winter. Campers are supported by trained staff to help guide them through these experiences and to help them gain valuable life skills and experiences.

Alpine Sports: Our Alpine program involves both indoor and outdoor rock climbing. Campers will learn life long skills of independence, follow through, and critical thinking skills by practicing proper pacing, hydration/nutrition, safety procedures, tying knot techniques, etc. Our highly trained rock climbing specialists and coaches will help alleviate anxieties and positively motivate participants to push to the top of the rock wall!

Lake Sports: Our lake program provides participants with a variety of water sports including, wake-boarding, tubing, knee-boarding, and wake-surfing. Anxiety often prevents individuals with autism from gaining a variety of experiences from life. We use multiple strategies to push past the anxiety, in an encouraging and positive way. The fun starts at the dock and continues all day!

Ranch Sports: Our Ranch program is where participants can become true equestrians as they gain skills and knowledge in all realms of horses. Participants get to experience the western division of the sport (including trail rides, rodeo events, and gymkhana games), the English discipline vaulting, and care for horses such as grooming, feeding, and training. Participants leave the Ranch eager to continue their horseback riding skills, and a new found sense of self worth and responsibility from caring for and connecting with the horses all week!

River Sports: Our River Program includes whitewater rafting, tandem and solo inflatable kayaking, and stand up paddle boarding. Participants develop confidence with techniques from basic flat water and whitewater paddling strokes, to swimming and essential river rescue procedures. Participants will be planning routes through rapids while working with others as a team on the river!

Dates for Summer Camp Sessions:

COLORADO LIONS CAMP

<http://coloradolionscamp.org/summer-camp>

The mission of the Colorado Lions Camp is to provide exceptional camping programs to individuals with special needs which promote independence, challenge their abilities and provide an opportunity to discover his or her own potential in a safe, positive environment.

We value inclusion and our programs are specifically designed to meet the needs of individuals with varying abilities for campers age 8 to senior adult.

Summer Camp Themes 2020

Camp themes are a fun way to encourage camp spirit, generate excitement, and offer a fresh set of experiences for new and returning campers to enjoy. Please note, all regularly scheduled camp activities will still be offered throughout the week, and we encourage campers to bring props & costumes for the theme-based dress up days. We look forward to seeing you this summer!

-Session #1 “Wild, Wild West” (June 7-12) Grab your boots, saddle up and ride off into the sunset. Wild, Wild West week will be a hollering good time at the old Colorado Lions Camp Ranch. Don’t forget your cowboy hat or bandanas!

-Session #2 “Alien Invasion” (June 14-19) Walk the earth like an alien as the CLC Spaceship will land for a week full of crazy events. A little competition to see what the Aliens will think of our camp events! Don’t forget to bring something green!

-Session #3 “CLC Takes the Stage” (June 21-26) Bring your microphone, your dance moves or your drama to the CLC stage. We will grove through the decades during the week and work on our performance for the families to show off our talents on Friday!

-Session #4 “Pirate Invasion” (June 28-July 3) Climb aboard the CLC Pirate Ship and explore the Black Pearl with us. We will enjoy a good ole fashion treasure hunt and watch the sea dogs dance the night away. Don’t forget to bring your favorite pirate costume!!

-Session #5 “Christmas in July” (July 5-10) Tis the season of summer cheer. This week will be a Christmas to remember. With caroling, hot cocoa and a visit from Santa will keep us in the Christmas spirit. Don’t worry we won’t let the Grinch steal the Christmas fun!!!!

-Session #6 “Go for the Gold Camp Style” (July 12-17) As we light the caldron for the week, this Olympic style week will bring Gold, Silver or Bronze to life as we participate in camp activities as well as some Olympic games. Wear your red, white or blue and we will team up for some great challenges.

-Session #7 “Survivor Week” (July 19-24) The Lions Camp Tribal Council will come to life as our teams of campers and staff compete in challenges which promote team building, camp spirit, heightened amounts of laughter and tons of fun! Find your inner rhythm drumming around the campfire, grab your tiki torch and find your tribe. Let the games begin!

-Session #8 “CLC Shipwrecked Island” (July 26-31) Don’t get lost at sea, bring your Hawaiian shirts and your sunscreen, as we welcome you to Shipwrecked Island! Enjoy yourself as you dance the night away at the Hawaiian Luau and make sure you aren’t on a 3 hour tour!

Colorado Summer Camp

for Boys & Girls ages 7-16

Family owned and operated since 1946

P. O. Box 146 Florissant, CO 80816

(719) 748-3279

camp@bluemountainranch.com

Come and spend an amazing summer in the Colorado Rocky Mountains! Make memories and friends while learning new life skills at a third generation family owned and operated camp. Enjoy horseback riding, sports, campfires, ropes course and more at the camp Coach Bill Allen and his wife Dorothy created in 1946. Coach Allen knew that a child can develop more rapidly in anything if well versed in the fundamentals. His family continues to operate the camp with the same values and goals as Coach and Dorothy.

DATES FOR SUMMER 2020:

Session One: June 6-June 21

Session Two: June 23-July 17

Session Three: July 19-August 3

CHALLENGER SPORTS

<https://challenger.configio.com/search?m=0&zip=80913&zipdis=30&cid=750>

Challenger International Soccer Camps

The all new Challenger International Soccer Camp will offer programs for each age/ability level. The TinyTykes program will provide 3-5 year olds with fundamental soccer activities, games, and stories, designed to develop technical skills along with physical and social development. The Half Day Camp for 6-16 year olds is our most popular program and will provide 3 hours of skill development each day. Campers will also receive a free coaching app allowing them to continue their skill development at home with camp skills homework and on-going virtual training throughout their season.

CITYROCK

www.climbcityrock.com/youth-programs/camps

CityROCK seasonal camps are a great adventure for kids of all ability levels. Our daily program includes sport climbing, bouldering, fun games, and caving! We offer a half-day option from 9 AM - 12 PM or 12:30 - 3:30 PM, or a full-day option from 9 AM to 3:30 PM. Campers will make new friends, boost their confidence, and create lasting memories.

We offer a 10% discount for multiple days or for siblings. Kids in camps get a free trial for our youth climbing classes. Parents receive a free Yoga or HIIT class!

COERVER COLORADO SOCCER TRAINING ACADEMY

<https://www.coervercolorado.com/summer-camps/>

Every Coerver® Colorado program follows a detailed written curriculum. The seven level summer camp curriculum begins with helping players develop comfort with the ball at their feet, then turns to mastering soccer's essential skills and best habits. Players develop the ability to use their skills with confidence and creativity under ever-increasing pressure, first in the 1v1 situation then in small group settings (2v1, 2v2, 3v1, 3v2, etc.) which are the building blocks of team play. The entire curriculum is evaluated and upgraded annually in order to guarantee active, fast-paced programs of instruction, practice and play.

Campers work in Teams of 10-14 players of similar age and ability. Much effort goes into creating Teams where no camper will dominate – or slow down – the group. For Monday mornings, the camp roster is initially sorted by previous Coerver experience (players TrueScore), age and coaches recommendations. The curriculum for Monday morning is designed to assure the competitive compatibility of the Teams and allows for Camp Directors to make any changes that are needed.

COLORADO COLLEGE VOLLEYBALL

<http://abcsportscamps.com/ccvolleyball/>

The Colorado College Volleyball Camps are designed to improve skill level, enhance player development, and build confidence in their ability. We offer a variety of camps for all skill levels – beginners to those off to play in College. The CC volleyball program is one of the best DIII programs in the Nation. The accolades the team earned in 2018 season included: Overall 32-3 record, SCAC Regular Season and Conference Champions, Ranked 9th in the Nation for NCAA Division III volleyball. US Sports Camps offers a number of programs for a variety of age groups. Most of our junior camps accept participants between the ages of 10-18, however, some of our day camps will accept those as young as 5. Of course, we have Adult Programs in a number of our sports & disciplines for the not so young but young at heart! *Please see the camp specific web pages to find out what ages each camp is geared toward.

US Sports Camps currently offer 24 programs in 16 different sports.

VILLASPORT SPORTS CAMPS

<https://www.villasport.com/colorado-springs/kids/camps/summer-camps>

Basketball Camp at VillaSport

Learn to play better basketball! The focus of this camp is to teach the fundamentals of the game with an emphasis on life skills and character development.

Soccer Camp at VillaSport

Develop your soccer skills in a supportive environment. Whether you want to improve your fundamental skills or prepare for the upcoming season, our coaches will get you there! We will develop a plan for you to build and improve your current skill levels.

Junior Lifeguard Camp at VillaSport

In this pre-certification program, you will learn how to safely handle a variety of water situations. Working as part of a team, you will tackle challenges and practice key maneuvers. This is a fun camp to spark interest in lifeguarding and improve personal water safety. It is not a lifeguard certification program.

Performance Swim Camp at VillaSport

This competitive swim camp will focus on enhancing performance through technical improvements and mental discipline. Swimmers will be evaluated and individually videotaped for analysis and improvement of strokes. One stroke will be featured each day, with one day reserved for flip turns and individual medley. Camp objectives also include promotion of self-esteem, focus, and sportsmanship. This camp is not a learn-to-swim program. Swimmers who want stroke refinement as they head into their championship season should not miss this opportunity.

Times: 9:00 AM - 12:30 PM

Throughout the two-day camp, Von Miller and our coaches will offer tips and hands-on instruction, including lectures, fundamental football skills stations, contests, and non-contact games in a high-energy, fun, and positive environment. Campers will be placed in small groups by age to ensure that each child gets maximum instruction. The camp will be staffed by some of the area's top high school and college coaches.

At ProCamps, we pride ourselves on ensuring that camp is not simply an “athlete appearance.” The comprehensive camp experience is great for athletes of all skill levels, whether they are new to the game or have been playing for years. Individual and team awards will be given in each age group. We are committed to providing your child with the experience of a lifetime.

Each attendee will receive:

- a souvenir autograph from Von Miller (item provided – outside items not permitted)

- a camp team photo with Von Miller

- a limited-edition Von Miller Football ProCamp t-shirt

- additional upgrades available during checkout

Group Rates are available for your team, league, school, or group of friends! For more information, please contact Alex at aland@procamps.com.

CAMP INVENTION

www.invent.org/camp

Imaginations will soar in the all-new Camp Invention® program, Elevate! Campers in grades K-6 will collaborate in hands-on STEM activities exploring concepts of flight, Earth's ecosystems and sports innovations! Visit the website or call 800-968-4332 to register. Use promo code LOCAL25 to save \$25 (expires 3/31) or LOCAL15 to save \$15 (expires 5/12).

CHALLENGER LEARNING CENTER

<https://www.challengercolorado.org/summer-schedule.html>

Aerospace Adventure Camps use space exploration to engage students in thinking about STEM careers of the future. Camps feature space exploration topics, coding, engineering and robotics, all while encouraging teamwork, critical thinking and problem-solving skills. Some camps include planetarium shows and simulated missions. Check camp descriptions for details. Full and half day sessions for learners grades 1 – 7 are offered throughout June and July at various locations across Colorado Springs and Monument. For program details, prices, and online registration visit www.ChallengerColorado.org or call 719.598.9755.

Full-day Camps

Locations:

Broadmoor Elementary (D12)

Legacy Peak Elementary (D20)

Bear Creek Elementary (D38)

Entering Grades 1 & 2

AstroAgents – The Great Solar System Search

You're on an epic mission to rescue a wandering alien friend! Campers will explore planetary neighbors while encountering robotic engineering challenges, space-related crafts and super stellar snacks.

AstroAgents runs four full days (Monday-Thursday)

Grades 3- 4

Lunar Trek

Learn what it takes to be lunar explorers during this astronaut training session. Using Sphero™ and Dash™ robots, campers will test their skills as they cruise to the moon using robots, engineer solutions to out-of-this-world problems and build a moon base.

Lunar Trek runs four full days (Monday-Thursday)

Grades 5- 7

Destination Mars 4.0

Design, build, and program future missions using LEGO® MINDSTORMS® EV3 robotic kits and the LEGO® SPACE CHALLENGE set. The LEGO® Space Challenge includes seven missions: activate communications, assemble your crew, free the MSL Robot, launch the satellite into orbit, return rock samples, secure power supply, and initiate launch. The "Initiate Launch" mission brings all the Space Challenges to an end. Plan and launch future human exploration of our next space destination...MARS!

Destination Mars 4.0 runs four full days (Monday-Thursday)

Half-day Camps

Grades 4 -6

Rocket Rangers

Rockets, rockets and more rockets! In this camp, students investigate the principles of flight and rocketry that have made mankind's exploration of space possible. Campers will build and launch several different Estes rockets.

Rocket Rangers runs five half-days and may be booked with Weird Science.

Weird Science

Wacky, wonderful and weird science that will wow your brain and challenge you to wonder why! Ignite your curiosity as you explore some of our favorite jaw-dropping, messy and spectacular science experiments.

Weird Science runs five half-days and may be booked with Rocket Rangers or Comet Quest.

Comet Quest: Mission Training Academy

Campers will investigate celestial objects and learn about how humans are prepped for spaceflight. Crew training highlights problem-solving, teamwork and communication and campers will put these skills to the test on their own mission to low-Earth orbit!

Comet Quest runs five half-days and may be booked with Weird Science.

CODE WIZARDS

www.codewizardsacademy.com/camps

Coding is an important skill and Code Wizards makes it fun! Kids learn code and computer programming fundamentals through games and team projects. Weekly camps begin June 3rd. Camp topics include VR, Drones, Game Building, YouTube, Robotics, and Minecraft. Half and full-day camps are available for kids aged 7 to 14.

ID TECH

<https://www.idtech.com/locations/colorado-summer-camps/colorado-college>

iD Tech is the world leader in summer STEM education, with over 450,000 alumni and 20+ years of experience. Weeklong, day and overnight programs for ages 7-18 held at 150+ prestigious campuses including Colorado College, Caltech, and NYU. Kids and teens learn to code, design video games, mod Minecraft, create with Roblox, engineer robots, print 3D characters, work with AI and machine learning, build laptops, learn about cybersecurity, and more! Students explore a top campus with new friends, learn from world-class instructors, and create impressive projects for their portfolios. Small class sizes are guaranteed (no more than 10 students per instructor) to ensure proper pacing for all skill levels. Held at Colorado College June – August.

PLAY-WELL TEKNOLOGIES

https://schedule.play-well.org/class/list/county/EI%20Paso/county_id/132/type/camp

Dream it, build it, wreck it, repeat in our LEGO-inspired engineering camps! Campers learn about Science, Technology, Engineering and Math while playing with LEGO materials. Camps include themes such as STEM Explorations, Star Wars, Minecraft, and Harry Potter! Each camp includes over 20,000 LEGO pieces! We have camp locations all summer throughout Colorado for ages 5 – 12. This is a week long, live-in STEM camp, with full emersion in STEM activities. The AFA provides world class facilities for this program. Campers work as teams of 12 to complete hands-on STEM tasks in a competitive environment. Campers are supervised, mentored, coached, lead and guided by young STEM professionals and college students in a STEM major, 24/7.

Where: US Air Force Academy, Colorado Springs, CO When: June 24 – 30, 2020

Basic Application Criteria: • U.S. Citizen • Able to provide proof of medical insurance • Starting Sophomore, Junior or Senior Year in the Fall of 2020 • At least 15 years of age at time of Camp • On a high school STEM track that will provide a basis for attending an accredited college or university with a STEM curriculum (i.e., taking appropriate STEM courses) • Demonstrated leadership characteristics through participation in extra-curricular activities, sports, and/or community activities • Physically fit • Minimum GPA of 3.2 (not required but highly recommended) • Not previously attended a SAME week-long summer Camp • Rising Seniors: proof of application to Service Academy or ROTC program

Application Deadline: March 16, 2020

Cost: Registration fee for the camp is \$600. This includes lodging, meals, materials, instruction, and mentoring. Once selected, campers must submit half the registration fee to hold their spot.

Campers generally pay half the registration fee, \$300. The sponsoring SAME Post may pay the remainder of the fee and work with the camper on the transportation costs. If not sponsored by a Post, the camper could be responsible for all camp fees and transportation.

To Apply: Visit www.same.org/STEMCAMPS, then follow the instructions in the camp application tab. This is a competitive process.

THE GODDARD SCHOOL

<https://www.goddardschool.com/colorado-springs/colorado-springs-scarborough-drive-co/summer>

Our summer camp curriculum incorporates STEAM learning (science, technology, engineering, arts and mathematics) into exciting, one-of-a-kind and fun experiences for your child every day! We offer a broad range of programs and mini-camps to pique the interest and curiosity of every child.

The founding principle of The Goddard School's curriculum is that children experience the deepest, most genuine learning when they are having fun. We have integrated this philosophy into every aspect of our summer camp to foster play-based learning opportunities both inside and outside the classroom. We've created a variety of camps so your children can find a program they will absolutely love. See them below!

YOUNG SCHOLARS ACADEMY

<https://www.youngscholarsacademycolorado.com/summer-camp-program/>

Young Scholars Academy sponsors several different summer camp programs for children ages 4-14.

These programs are adjusted based on the age of the children. Our Camps will have a unique blend of fun and interesting learning experiences.

Each summer program is not only designed for specific ages but also for specific budgets.

The programs provide a well-supervised experience. Parents are able to pick a program that fits their needs. Enrichment classes are also included in your camp fee!

Summer Odyssey is exciting and kid friendly adventure featuring sporting events, rock climbing, bar-b-que's, and exploring Colorado Springs' natural and cultural worlds through art, music, and dance experiences. This camp is specially planned to be developmentally appropriate for elementary aged children in order to maximize their fun and learning. Space is limited to 28 campers so sign up early.

STEAM is designed EXCLUSIVELY for 4 year-olds to the summer camp experience and more importantly develops concepts that the kids will keep throughout their whole education experience.

The children get the opportunity to explore the themes while getting working with their other kids to complete goals- this builds social skills, gives kids a sense of independence, and overall teamwork!

Guests are brought in throughout the program to help with the weekly projects, bring in materials to help with the concepts and stir up some laughs!

Our **SAFARI** program is based on ages so that we may plan developmentally appropriate activities for everyone. Safari is for ages five through fourteen. During camp your child will get to explore local parks and area attractions, as well as participate in community projects, giving them a sense of purpose and service!

The Safari kids go on field trips 3 times a week based on each week's specific curriculum theme. These field trips are all around Colorado Springs giving the opportunity for each kid to find something that really fits their learning style! Perfect for the child who wants to be involved with trips but still slow down and enjoy the summer before it goes away!

YOUNGBOTBUILDERS, LLC

www.youngbotbuilders.com

Join us for half day summer camps for kids ages 6 1/2 - 14. Learn STEM concepts through building and programming with LEGO bricks. Science and technology is all around us! Don't take a break from learning. This summer our offerings include: WeDo 1.0, WeDo 2.0, LEGO Engineering, and EV3 Robotics. See why kids come back again and again. Taught by experienced teachers with over 15 years of teaching experience with plenty of helpers. Call Esther Lee at (719) 271-2120 if you have any questions.

USA CHESS AND VIDEO GAME CREATION CAMP

https://www.activityhero.com/biz/active-learning-chess-and-computer-camps?q=&location=Colorado+Springs%2C+CO&state=CO&city=Colorado+Springs&location_id=9603&brand=1

Choose from USA Chess Camp or 7 different Video Game Creation Camps. Mix and match to create a fun-filled day for your child.

At USA Chess Camp, professional chess instructors teach children of all abilities to play and improve their games. Each day consists of chess lessons and competitive play. Instructors are selected by USA Chess for their ability to make chess fun and teach the game to players of all levels.

Our popular video game creation and animation camps let kids create & program their own video game. Using our custom curricula, children learn Minecraft, GameMaker, Kodu or Scratch as they create their very own video games that they can actually play!

Students can attend morning or afternoon half day programs or combine two half-day programs for a full day of fun. They will have a blast with excellent instructors and make new friends with other campers, all while learning and developing their minds!

TEEN COURT

<http://www.springsteencourt.org/index.php/volunteer>

As a student, you will have the opportunity to participate on Peer Panels and hear the cases of teenagers who have pled guilty to misdemeanor offenses. After hearing their stories and the circumstances behind the crimes they've committed, you can then take part in producing their sentences based on the concepts of Restorative Justice. Rather than focusing on punishment and retribution, all of Teen Court's sentencing options are based upon accepting responsibility and taking accountability for one's actions. In addition to Peer Panels, Teen Court also hosts Trials conducted by trained student attorneys in front of real judges and magistrates from the 4th Judicial District and Municipal Court. The student attorneys also have the opportunity to work with local lawyers who act as mentor attorneys during the Trial process. Student volunteers can also act as bailiffs during Teen Court Trials. If you would like to learn more about becoming a student volunteer with Colorado Springs Teen Court, be sure to check out the student section under the volunteers tab.

UCHEALTH MEMORIAL HOSPITAL – COLORADO SPRINGS

Volunteers play an extremely important role at UCHealth University of Colorado Hospital and throughout the Denver metro area. They provide the personal touch that enriches the hospital experience for patients, families, visitors and staff. Volunteer positions are available for teens, college students, and adults in a range of settings.

Shadowing/Clinical Observation opportunities provide important learning for professionals and students alike. Shadowing is educational observation only and provide no hands-on experience. Only individuals who are 18 and older are allowed to participate.

Teens help run Tween Nights. The teens learn honesty, caring, respect and responsibility while working side by side with staff members to assure that the Tween Nights are always safe and fun. Teens have the opportunity to gain volunteer hours along with trainings that help develop lifelong skills. It also helps them gain an understanding of basic skills needed for those first job opportunities down the road.

All volunteers must first apply for the position of being a volunteer by filling out a Teen Volunteer Application, which can be obtained at our Welcome Center. An interview will be set up and your teen will need to provide 3 references.
