SBA-WOSB

Job Title: Service Representative

Objective

Responsibilities include disassembly, installation and initial set up, servicing, and moving company equipment at customer locations on military bases. Respond to on-call assignments; repair and service of equipment and chemicals. Maintain general inventory levels of material. Report any general customer information/needs to territory Account Manager for follow up.

Essential Responsibilities:

- Build products to be installed and prepare all necessary equipment prior to installation.
- Travel to customer sites to install new or upgraded equipment.
- Knowledge and utilize simple tools for the installation and servicing of equipment
- Prepare and present on-site training
- Ability to travel to customer sites frequently
- Ability to occasionally lift up to 50lbs.
- Skilled at troubleshooting and repair general equipment
- Ability to analyze and problem solve.
- Ability to work and solve problems independently and without supervision.
- Other duties and responsibilities as deemed necessary

Other Requirements:

This position requires travel, a valid driver's license, and flexible hours while working at customer locations. Base access required.
