#### ALL CDCS AND SACS TO REOPEN JUNE 29

Effective Monday, June 29, Child and Youth Services (CYS) will reopen all Child Development and School Age centers. Care will resume for all customers that were previously enrolled prior to the installation's move to providing care for readiness essential employees only.

Customers who are currently enrolled do not need a memo from their commander in order to return to care. Facility managers will begin contacting all Pre-COVID patrons immediately to announce the reopening of CYS facilities and to discuss their care needs. If a customer's situation requires them to have care prior to receipt of the call they should reach out to their facility manager or Parent Central Services to express their immediate need for care and any arrangements that need to be made.

All customers enrolled in a CYS program prior to the COVID-19 care interruptions will be offered return rights to care. Once all returning customers are back in care, CYS will begin providing care to new enrollees based on space availability and waiting list position. CYS anticipates patrons to begin moving off of the wait list effective July 6. Families who are in need of care but not enrolled should visit <u>www.MilitaryChildCare.com</u> to get on the CYS waiting list. They are also encouraged to visit the CYS website (<u>https://carson.armymwr.com/programs/cys-services</u>) to access the paperwork needed in order to get registered for care. Parent Central Services is operating on an appointmentsonly basis between the hours of 7 a.m. to 6 p.m. Appointments can be made by calling 526-1101 or 526-8220.

#### BANANA BELT HOT WATER OUTAGE

Occupants in 105 facilities along the "Banana Belt" area will be without hot water July 3-9 due to replacement of a boiler at Fort Carson's Central Heat Plant, building 1860. The heat plant will shut down early July 3. Buildings impacted may still have some hot water available for a couple of hours until the system is completely drained.

Male and female shower trailers will be available during the hot water outage.
