

Akima Support Operations (ASO)
Fort Carson, CO 80913
719-524-0452 (O)

Akima Support Operations (ASO), a rapidly growing government services provider has a full-time opening at Fort Carson CO, for a Blocker / Bracer in the Transportation Department.

Position: Blocker/ Bracer (Transportation) (Job # ASO01608)

Position Classification: Non-Exempt (29010)

Contract Number: W52P1J-14-G-0035

Announcement Date: January 15, 2021

Close date: until filled

Pay Rate: \$22.43

Position Summary:

The Blocker and Bracer secures cargo in or aboard cargo carriers such as trucks, vans, trailers, railroad cars, sea vans, barges and ships to prevent damage during its transportation, determines appropriate lumber size and kind and prepares the lumber required for braces, chocks, blocks, beams, planking, cribbing, skids, cradles, saddles, etc., using hand and power tools. This worker nails, spikes, bolts, or fastens with wood screws or lag screws supporting and bracing fixtures to secure cargo items, constructs weatherproof shelters over some types of deck loads, guys, lashes and binds heavy equipment to pad eyes, rings, eyelets, hooks, stanchions, cleats, or other supporting fixtures using chains, ropes, cable, wires or metal straps. This worker constructs temporary trestles, decking, bulkheads, cribbing and sheathing, and cuts dunnage to support, stiffen, or separate bulky or heavy cargo.

MAJOR JOB ACTIVITIES:

1. Studies specifications and measures, marks and cuts boards using patterns templates, ruler, and pencil and hand and power saws.
2. Fastens or installs parts using hammer, nailing machine or power stapler.
3. Repairs defective containers by replacing damaged parts, and/or fabricate containers from wood and fiberboard including pallets, Dunn age and restraints.
4. Inserts wood bracing's, cardboard files and felt pads in containers.
5. Builds crates around objects using ruler, hand tools and pneumatic nailer, and ensures items are properly preserved, packaged and do not require further protection before shipping.

6. Fabricates, repairs, modifies and replaces woodwork on vehicle sides and beds.
7. Preserves items, as required, prior to packing.
8. Packs, seals, bands and applies markings to crates and containers.
9. When required, package items in constructed boxes, crates, pallets, etc.
10. Inspects commercial furnished railcars for serviceability and complement of equipment necessary for loading.
11. Assists and directs the tie down of Military Vehicles/equipment and MILVANS loaded onto railcars. Assures all is tied down, blocked and/or braced IAW Military and Transporting railroad specifications.
12. Inspect Blocking and Bracing, issuing Bolt / Wire Wrap seals and assist in the installation of CIDD (Container Intrusion Detection Device) on all Containers deploying overseas.
13. Prepares cargo for shipment, obtains GBL/CBL from outbound freight and loads freight on commercial conveyances.
14. Performs other duties as assigned in a warehouse and/or outdoor environment in all types of weather.

MATERIAL & EQUIPMENT DIRECTLY USED:

PC and other office equipment, woodworking tools (saws, staples), forklift

WORKING ENVIRONMENT/PHYSICAL ACTIVITIES:

Extensive interaction with the customer is required. Work requires long, strenuous hours and being able to work under pressure. May be required to work an uncommon tour of duty including nights, weekends, and holidays. Work is generally conducted in a warehouse environment. However, duties may involve the conduct of work in the out-of-doors area with a potential exposure to extreme climatic conditions. Work will require lifting up to 50 lbs; stooping; climbing; prolonged standing; prolonged sitting. Employee use of Personal Protective Equipment (PPE) is required in certain areas. Such PPE includes but is not limited to head, foot, hand, torso, respiratory, vision and hearing protective devices. Must comply with OSHA, EPA, Fire Regulations and published Company work rules.

FREEDOM TO ACT:

Reports to the Blocker / Bracer Lead and Supervisor and functions somewhat independently under his/her direction.

MINIMUM QUALIFICATIONS:

Education: High School graduate or equivalent.

Experience: Must have a working knowledge of various power saws and basic woodworking principles. Two-year woodworking experience and knowledge of packaging and preservation principles and techniques preferred. Must possess or be able to obtain a forklift license. Must have HAZMAT processing working knowledge and must be capable to obtain Company/Government provided HAZMAT certification.

Must possess and continuously maintain a current State of Colorado Driver's License prior to starting or by 30 days after employment.

SECURITY CLEARANCE: Must be US Citizen and be able to obtain and maintain a National Agency Check with Inquiries (NACI) to obtain a CAC and SECRET Clearance. Must receive a favorable background check and drug testing results.

Responsibilities

- Manages the Soldiers and Family member records in accordance with DOD and Service regulation.
- Briefs family readiness staff and others upon request.
- Represents the program at installation coordinating committees.
- Transfers records to the appropriate program personnel when transitions occur.
- Collects and analyzes data for planning, reporting, and program improvement.
- Ensures all designated reports are submitted to Service Headquarters as required.
- Remains informed regarding recent research and policies.
- Monitors, evaluates, and enhances program services to meet the needs of Families.
- Develops partnerships with military and civilian agencies and offices (local, state, and national).
- Improves program awareness.
- Provides information updates to Families.
- Hosts and/or participates in program Family events.
- Implements policies, procedures, and practices that connect Families to support services.
- Partners with Families to increase resilience, develop self-advocacy skills, and improve their ability to navigate systems effectively.
- Provides Families with current information and assist Families in connecting to resources.

Full Time

Other Job Requirements

- One year experience working with a military Family Support Center; or civilian social service agency preferred or experience as a military Family member preferred.
- United States citizen.
- Bachelor's degree in social work, psychology; marriage, family, and child counseling; counseling or behavioral science; education; or community health or public health.
- Minimum one year experience in Family and children's services or community organization.
- Knowledge of human service principles and practices, individual Family needs and problems relative to case management and changing social patterns, knowledge of military and civilian community (local, state and Federal programs), their mission and relationship to readiness, retention and resiliency.
- Knowledge of military, state and Federal laws, policies, regulations and practices regarding medical, educational and Family support services, knowledge of available medical, special education and community support programs and services.
- Knowledge of military and civilian community (local, state, and Federal programs), their mission and relationship to readiness, retention, and resiliency.
- Ability to research, analyze, and conduct studies to evaluate effectiveness of program operation, resolve problems, and develop a comprehensive coordinated Family Service Plan.

- Ability to plan, organize and analyze work assignments to determine appropriate course of action.
- Shall have skill levels to provide professional non-clinical case management services, facilitating connections between Families who have special needs and the systems of required care.
- Must possess and maintain a valid, unrestricted motor vehicle license.
- Understanding of the military and our government client program.
- Possess working knowledge of military protocol when addressing Officers, Non-Commissioned Officers and Government personnel.
- Must speak, read, understand, and write English fluently.
- Be computer literate and possess proficiency in computer skills to use Microsoft Office Suite to prepare briefing slides, information papers, and enter data in required management reports and utilize information systems to prepare required reports and information.
- Ability to effectively interface and communicate with civilian and military personnel at all levels.
- Willing to travel within an estimated 50-mile radius of the assigned installation.

Akima Support Operations (ASO)
Fort Carson, CO 80913
719-524-0452 (O)

Akima Support Operations (ASO), a rapidly growing government services provider has a full-time opening at Fort Carson CO, for a Heavy Equipment Operator for Transportation Department.

Position: Heavy Equipment Operator (Vehicle Storage) (Job # ASO01607)

Position Classification: Non-Exempt (23440)

Contract Number: W52P1J-14-G-0035

Announcement Date: January 15, 2021

Close date: when filled

Pay Rate: \$21.90

POSITION SUMMARY:

The Heavy Equipment Operator, operates heavy equipment such as RT 240 Kalmar or RTCHs, forklifts, tractor/trailers and various types of military equipment/vehicles. Equipment is used to load/unload, transport or relocate military equipment/vehicles/cargo for/from multiple forms of transport (i.e. rail, truck/trailer, etc.). Heavy Equipment Operator may read and interpret grade and slope signs, may grease, adjust and make emergency repairs to equipment.

MAJOR JOB ACTIVITIES:

1. Keeps the Heavy Equipment operator lead and/or Transportation Manager updated on missions and equipment status, etc.
2. Unloads vehicles and equipment from commercial carriers in a timely manner so as to avoid detention charges. Loads and unloads conveyances with or without helpers, and moves freight by forklift, handcart, or other manual equipment.
3. Receives turn-in vehicles from customer units in accordance with wheeled and tracked vehicle turn-in instructions IAW External SOP
4. May perform a variety of warehousing duties which require an understanding of the establishment's storage plan. Work involves most of the following: Verifying materials (or merchandise) against receiving documents, noting and reporting discrepancies and obvious damages; routing materials to prescribed storage locations; storing, stacking, or palletizing materials in accordance with prescribed storage methods; rearranging and taking inventory of stored materials; examining stored materials and reporting deterioration and damage; removing material from storage and preparing it for shipment.

5. Unloads and stores vehicles, containers and equipment marked for units when the unit is not available to receive the equipment due to training, deployment or other operational reasons. (Unloading at the railhead may include removing chains and dunnage before vehicle/equipment can be moved.)
6. Prepares vehicles for operation by performing pre-trip inspections that include, but are not limited to, battery hookup, fueling, unmasking exhausts, air intakes and glass areas, checking for proper fluid and fluid levels and tire pressure.
7. May operate Non-tactical and Tactical military equipment: Commercial vehicles less than 2 ½ Ton; Tactical vehicle 5 Ton and larger or transport of hazardous material (Class A, B, or C); Tracked vehicles; Forklifts, Rough Terrain Container Handler (RTCH), or other Material Handling Equipment (MHE). May grease, adjust and make emergency repairs to equipment.
8. Operates vehicles for the purpose of transporting Government property to storage locations, maintenance facilities, DLA-DS, reclamation and disposal areas.
9. Conforms to all installation and State rules and regulations and ensures that seatbelts are worn in vehicles so equipped and use PPE as required.
10. Maintains mileage, tonnage and movement records as input to weekly and monthly activity reports.
11. Performs warehouse worker duties as directed by the supervisor.
12. Performs preventive maintenance in accordance with vehicle requirements and established procedures.
13. Performs all other duties as assigned.

MATERIAL & EQUIPMENT DIRECTLY USED:

Non-tactical and Tactical military equipment: commercial vehicle less than 2 ½ Ton; Tactical vehicle 5 Ton and larger for transport of hazardous material (Class A, B, or C); Tracked vehicles; Forklifts, Rough Terrain Container Handler (RTCH) and other Material Handling Equipment (MHE).

WORKING ENVIRONMENT/PHYSICAL ACTIVITIES:

Work is generally conducted in an outdoor or warehouse environment. Duties may involve the conduct of work in outside areas with a potential exposure to extreme climatic conditions (Hot, Cold, Wind, Rain) etc: Work may require lifting up to 50 lbs; stooping; climbing; prolonged standing; prolonged sitting. Employee's use of Personal Protective Equipment (PPE) is required in certain areas. Such PPE includes but is not limited to cold weather gear, head, foot, hand, torso, respiratory, vision and hearing protective devices. May be required to work an uncommon tour of duty including nights, weekends and/or holidays. Must comply with published Company work rules and regulations as well as Ft. Carson regulations. Must possess and continuously maintain a current State of Colorado Commercial Driver's License Class A (CDL) with a current Medical Certification.

FREEDOM TO ACT: Reports to the Heavy Equipment Lead and/or The Transportation Manager and functions under his/her direction.

MINIMUM QUALIFICATIONS:

Education: No specific educational requirements. Must be knowledgeable of local and Fort Carson driving laws and safety rules.

Experience: Must have one-year experience in operating commercial vehicles. Colorado Commercial Driver's License Class A is required to drive (5-Ton or larger Equipment /vehicles). Experience operating the RT 240 Kalmar/ RTCH's.

Must possess and continuously maintain a current State of Colorado Driver's License prior to start date or by 30 days after employment. Also a (Class A) and current Medical Certification.

If selected for an interview you will be required to show your current DMV and CDL record.

SECURITY CLEARANCE: Must be US Citizen and be able to obtain and maintain a National Agency Check with Inquiries (NACI) to obtain a CAC. Must receive favorable results for a background check, drug testing and motor vehicle report results.

**Akima Support Operations (ASO)
Fort Carson, CO 80913
719-524-0452 (O)**

Akima Support Operations (ASO), a rapidly growing government services provider has a full-time opening at Fort Carson CO, for a Supply Technician, Lead (Container Management) in Transportation Department.

Position: Supply Technician, Lead (Container Management) (ASO01520)

Position Classification: Non-Exempt (01410)

Contract Number: W52P1J-14-G-0035

Announcement Date: January 15, 2021

Close date: Until filled

Pay Rate: \$24.78 + 5% (Lead) \$26.01

Position Summary:

This position performs limited aspects of technical supply management work (e.g., inventory management, storage management, cataloging, property utilization) related to depot, local, or other supply activities. Work usually is segregated by commodity area or function, and controlled in terms of difficulty, complexity, or responsibility. Assignments usually relate to stable or standardized segments of technical supply management operations; or to functions or subjects that are narrow in scope or limited in difficulty. The work generally involves individual case problems or supply actions. This work may require consideration of program requirements, together with specific variations in or from standardized guidelines. Assignments require:

(a) a good working knowledge of the governing supply systems, programs, policies, nomenclature, work methods, manuals, or other established guidelines; (b) an understanding of the needs of the organization serviced; and (c) analytical ability to define or recognize the dimension of the problems involved, to collect the necessary data, to establish the facts, and to take or recommend action based upon application or interpretation of established guidelines.

MAJOR JOB ACTIVITIES:

1. Serves as Lead for the Installation Container Management / Operations Section.
2. Performs container management / support functions and leads a Government container storage yard IAW ASO processes.
3. Directs updates and input container data in JCM and other Logistics Information Systems, MS Office, Windows and other similar programs.

4. Directs the preparation and maintenance of documents for issue, return and receipt of International Organization for Standardization (ISO) containers on the installation and those issued to supported units and activities in accordance with DoD 4500.9-R Vol II and AR 710-2.
5. Leads the inspection of containers for serviceability / deployability, maintenance, coordinates repairs of ISO containers
6. Ensures the accuracy of monthly inventories to validate 100% accountability of ISO containers and inspect and certify containers to International Convention for Safe Containers (CSC) serviceability in accordance with MIL STD 3037 and DTR 4500.9-R Vol II.
7. Ensures the maintenance and updates of container data in the Joint Container Management System (JCM).
8. Leads the operations of MHE up to 25K for the upload & download of containers; move containers within and between container yards.
9. Issue CSC stickers and container data strips.
10. Request and maintain all records for all assigned DOD ISO container numbers.
11. Obtain all special certifications, licensing, qualifications, and training for these functions are required in accordance with local, state and federal requirements.
12. Maintains all container documents IAW ARIMS.
13. Ensures all processes are accurate and updated as needed to meet the current regulatory requirements.
14. Maintain cost records for all container work orders without over expenditures and effectively project future cost of maintenance / repairs.
15. Conducts a joint final inspection to close out all job orders assigned by maintenance.
16. Identify a proper signature card (DA Fm 1687 – Notice of Delegation of Authority)
17. Be able to professionally correspond with the Army Intermodal and Distribution Platform Management Office (AIDPMO)
18. Other duties as assigned.

MATERIAL & EQUIPMENT DIRECTLY USED:

Various forms of material handling equipment including forklifts (diesel, propane, electric up to 25K), PC's, printers, fax machine, copier.

WORKING ENVIRONMENT/PHYSICAL ACTIVITIES:

Work is generally conducted in both an office and out-of-door environment. However, duties that involve the conduct of work in the out-of-doors area could result in a potential exposure to extreme climatic conditions. May be required to work an uncommon tour of duty including nights, weekends, and holidays. Work will require lifting up to 50 lbs; stooping; climbing; prolonged standing and prolonged sitting. Employee use of Personal Protective Equipment (PPE) is required in certain areas. Such PPE includes but is not limited to head, foot, hand, torso, respiratory, vision and hearing protective devices. Must comply with OSHA, EPA, Fire Regulations and published Company work rules. Must have steel toe boots.

FREEDOM TO ACT: Reports to the Transportation Freight Supervisor and works independently under his/her guidance.

MINIMUM QUALIFICATIONS:

Education: Military training in logistics or supply or equivalent civilian course work required with good oral and written communications skills, academic course work in computer information systems associated with Government-automated supply systems required. Knowledge of analysis of scheduling and accountability for military supply assets desirable. Working knowledge of DA Form 2404, DA Form 2407 and DA Form 1687.

Experience: Three to five years of leadership experience in progressively responsible position. Must have skills on customer relations, communication, ability to work well with others and to function under stress. A minimum three years general experience in professional, investigative, technical or other responsible work that demonstrates strong leadership, judgment and analytical ability. Desired a two years specialized knowledge in Container Management and working knowledge of the Business Support.

CSC preferred or able to receive Container Safety Certified within 30 days of receipt of a CAC.

Two years' experience in operating a tractor-trailer (Class A). Must have or be able to obtain a forklift license. Valid Colorado CDL License required.

Must possess and continuously maintain a current State of Colorado Driver's License prior to start date or by 30 days after employment.

SECURITY CLEARANCE: Must be US Citizen and be able to obtain and maintain a National Agency Check with Inquiries (NACI) to obtain a CAC. Must receive a favorable background check and drug testing results.
