EFMP Exceptional Family Member Program

Make your voice heard. Take the Exceptional Family Member Program survey today!

Provide your feedback to enhance the Exceptional Family Member Program.
Active-duty service members with a family member enrolled in EFMP can take the survey beginning Nov. 17, 2022.

Why take the 2022 EFMP Survey?

This is your chance to be heard on issues that directly affect you and your family! The survey asks about the EFMP enrollment process, Family Support services, assignment coordination during PCS and experiences outside of the program such as with medical and educational services.

We encourage service members to discuss the survey with their spouse or other adult family members to ensure the entire family's experience is represented.

Your feedback will help leadership make decisions about EFMP policies and can help make a difference for families like yours.

How to take the survey

Check your inbox! An email with a unique code to log onto the web-based survey will be sent to all active-duty service members with a family member enrolled in EFMP. If you do not receive an invitation to participate, visit www.dodsurvey.mil, click the "Click Here" button and enter your DOD ID number and date of birth.

All responses will be confidential.

Take the 2022 EFMP Survey and be heard!

Circle of Fathers

Sharing ideas. Sharing support.

Fathers, we're only human and we need each other. We're under all kinds of stress trying to raise kids to reach their full potential. It's a lot of pressure and no one can do it alone.

Circle of Parents® provides a friendly, supportive community led by parents and other caregivers where parents are the experts.

WHAT: Join other fathers in our community to share support, tips and advice or just talk. This is a safe space for sharing the ups and downs of parenting, created for fathers and led by fathers.
