February Overview

BASIC TRAINING: Acing Your Follow-Up

Don't fall into the trap of believing your work is finished after attending a career fair, networking event or interview. The reality is most recruiters and hiring managers interact with many qualified candidates, and even if you made a great first impression, details get lost in the shuffle. After a career fair:

- Make a connection.
- Focus on opportunities.
- Continue building your network.
- Send that "Thank You" note!
- Appreciate the rejections.

View these [basic training tips](#) to stand out from the crowd and increase your chances of securing the job. Follow-up is key!
