HOW CAN VOLUNTEERING WORK FOR YOU?

RESUME TIPS

Did you know you can use volunteer service as a job block to show work experience?

ARMY FAP SAFE SLEEP CAMPAIGN

The ABC's of Safe Sleep

Alone in Their Sleeping Space

Alone means removing all items from baby's crib:

- ❌ Stuffed animals
- ❌ Loose blankets (swaddling is ok until your baby can roll over)
- ❌ Crib bumpers
- ❌ Anything that could increase risk of strangulation

Alone doesn't mean away.

The risk of SIDS reduces by 50% for babies who sleep in the same room as their parent. Share your room with baby for at least their first six months.

Placed on **Back**

Always place baby on their back on a firm surface to sleep.

Asleep in **Crib**

Use a crib, bassinet, or portable crib that meets safety standards (See <https://www.cpsc.gov/SafeSleep>).

Never let baby sleep on a couch or sofa.

If baby falls asleep in their car seat, move them to their safe sleep spot at your destination.

ARMY NEW PARENT SUPPORT PROGRAM

After injury or illness, you may be tempted to keep extra medicine "just in case" or to share with others, but...

it's not worth the potential risks:

Job Disqualifier

Disciplinary Action

Unknown Medical Interactions

If you are in the U.S. or a U.S. Territory, there are two ways to properly get rid of prescription drugs.

Option 1:

The Drug Take Back program at your military treatment facility.

Option 2:

Go to takebackday.dea.gov to find a public disposal location near you.

If the first two options are not available:

Check the [Food and Drug Administration \(FDA\) flush list](https://www.fda.gov/oc/flush) to see if your medication can be flushed.

If you cannot get to a disposal location and your medication is not on the FDA flush list:

- Remove medications from the bottle, mix with an unappealing substance (like coffee grounds) and throw away.
- Remove all personal information on the label of the bottle. Then trash or recycle the empty bottle or packaging.

Pikes Peak Suicide Prevention Partnership (PPSPP) is a non-profit organization founded in 1993 by three local women whose lives had been negatively impacted by suicide. One of those founders, LaRita Archibald, would go on to become a nationally renowned suicide prevention advocate participating in efforts across the country to create suicide prevention best practices and author several books on the topic. She helped to create some of the most accessed trainings, interventions, and tools in the field of suicide prevention. PPSPP has followed her lead by continuing to work to provide education and training to the general public about suicide prevention. The "informed public," is one of our strongest arms of prevention. The more people who understand how to prevent suicide, the more lives we can save.

ABOUT THE PRESENTER

Cass Walton currently serves as the Executive Director of Pikes Peak Suicide Prevention Partnership. Cass has served in a variety of roles including a Therapeutic Living Director at a residential treatment facility for adolescent boys, a Program Director for a camp serving individuals with autism, and as a corporate Crisis Intervention Trainer for youth-serving organizations. Cass is a wife and mother of four children. She loves to play and coach volleyball. She is the queen of karaoke, and her current favorite motto is, "It starts with me!" She serves the local suicide prevention community as the Vice-Chair of The Suicide Prevention Collaborative of El Paso County and she sits on the steering committee for the Youth Suicide Prevention Work Group of El Paso County.

We Need You

We Need Patients on our "Patient and Family Partnership Council" (PFPC)

We work hard at Evans Army Community Hospital (EACH) to improve quality and safety. At your last visit, did you think of things we could have done differently? Do you have ideas that would promote better care experiences?

As a soldier, patient or family member, you know how it feels when things work well. You also know how it feels when things don't work so well.

Partner with healthcare by joining the PFPC! Your valuable knowledge and your one-on-one interactions with our staff make you a valuable candidate! Our Command Group is interested in hearing your voice at these meetings! If you would like to become a member of the PFPC and can give us 1½ to 2 hours per quarter, please contact:
