Army Community Service – Exceptional Family Member Program

The Exceptional Family Member Program (EFMP) - What is it?

The EFMP is a Department of the Army program designed to assist military personnel agencies in making assignments for the Soldier, accompanied by Family members as often as possible, based on the documented medical and special education needs of the Soldier's Exceptional Family Member (EFM). When possible, Soldiers are assigned to duty locations where the medical and special education needs of their EFM can be met. It is important to understand that this is dependent upon a valid personnel requirement for the Soldier's grade, specialty, and eligibility for the tour. All Soldiers are still eligible for worldwide and unaccompanied assignments.

ENROLLING YEAR-ROUND

719-635-1536 | cpcdheadstart.org

STEP 1

How old is your child?

Prenatal Mom to Child Age 3:

For children under 3, CPCD's Early Head Start programs serves prenatal moms, infants and toddlers living in low income situations, experiencing developmental concerns or having identified special needs. Due to the long wait lists of this program, families must qualify with these factors.

My child is between 3-5:

CPCD operates both Head Start and the Colorado Preschool Program for 3 to 5 year-olds. With these two programs eligibility needs vary. We encourage families at 300% of poverty and below to apply. Family situations and development concerns will also be factors in the placement process.

STEP 2

For children 3-5,
where do you live?

Note: We only serve families in El Paso County and certain school districts. Please [click here](#) to locate your home school and district.

CPCD operates classrooms in Harrison School District 2; Widefield School District 3; Fountain-Ft. Carson School District 8; Colorado Springs School District 11 (IF in home schools Carver, Grant, Twain, Monroe, Queen Palmer and Wilson); Academy School District 20 and Falcon School District 49 (WITH priority to Falcon and Evans home schools).

When in doubt, please call our Enrollment Department. An Enrollment Technician can walk you through the process.

STEP 3

I think I qualify.
What is next?

Fill out our online application.
