EQUAL EMPLOYMENT OPPORTUNITY

Senior Project Manager (EPMO) (Strat Port Delivery)

td.wd3.myworkdayjobs.com/TD_Bank_Careers/job/Remote-Greenville-SC/Senior-Project-Manager--EPMO---Strat-Port-Delivery- R_1373428

Location: Remote

Job Description: Strong preference for experience working on large scale, complex projects within the financial services industry and the ability to sit within the US TD Footprint.

The Senior Project Manager (EPMO) plans, manages and delivers distinct projects through all specific phases, in alignment with business and / or enterprise strategies. Provides leadership, direction and coaching to teams(s) while partnering with business and executive stakeholders within a single or across multiple Lines of Business (LoB).

Depth & Scope:

- Manages projects with a moderate to high level of regulatory oversight
- Project risk profile ranges from moderately high to high
- Executive level sponsorship or support aligned to the Project
- Typically leads the delivery of Tier 2 and / or Tier 3 projects with a moderately high to high complexity profile
- May lead the delivery of Tier 1 projects
- May indirectly manage cross-LoB Project team consisting of Business Analysts, Business SMEs and Technology Resources where applicable to the project
- May manage a number of projects at any given time, and time horizon of projects generally range from medium to long term

Education & Experience:

- Undergraduate Degree
- Project Management Certification required
- 10+ years relevant experience
- Comprehensive knowledge of the practices, procedures and principles of project management
- Exposure to financial management with respect to tracking, forecasting and managing project budgets.
- Ability to make an impact, influence and achieve results with effective negotiation, problem-solving and communication skills
- Strong facilitation skills
- Commitment to team skills development and ability to attract top talent
- Team player with ability to build and maintain strong working relationships with internal and external partners
- Ability to create and foster a cohesive team, and promote a positive work environment for all employees.
- Ability to think strategically and possess strong business acumen
- Proven ability to stay focused under pressure, demonstrating resilience in challenging situations
- Experienced change agent, able to guide cross-functional teams through complex change from concept to execution
- Comfortable with ambiguity and ability to cope with rapid change
- Strong leadership skills lead by example, champion change and develop a highly motivated team to consistently exceed expectations
- Good judgment ability to determine which issues to escalate vs. to resolve independently, and provide suggestions for possible resolution

Project Manager II (EPMO) (US)
